**The sheet count is the total number of sheets that you have access to in the Sheets area across all projects that you are a member of. All sheets, including revisions, count towards the sheet limit. Documents and files hosted in the Files area do not count against your sheet limit. One sheet is a drawing that has gone through the Sheet publishing workflow*

*Pricing is correct at the time of submission but best and final pricing will be agreed after consultation of specific Consultancy, training and implementation is available and calculated in consultation with our Industry experts
