All travel, accommodation, subsistence and road mileage expenses incurred during the provision of any on-site services (outside of the M25 perimeter) are charged to the Buyer in addition to the rates listed in this document.

Support and Managed Services

Virtual Engine has a flexible approach to Support and Managed Services which are subject to discussions with the Buyer to determine the right service level. The annual costs for support and managed services are from

Support	Annual cost (exc VAT)
Single Product/Service	from £8,000
Multiple Products/Services	from £12,000
Managed Services	Annual cost (exc VAT)
• Modern Device Management with Intune - for Windows • Modern Device Management - for Mobiles (Apple and Android) • Windows, AVD and Windows 365 Image Management • Application Management for Windows, AVD and Windows 365	from £20,000

Licensing

Virtual Engine provides Cloud Software Services from vendors including Microsoft, ControlUp, Liquidware, AppCURE and CheerpJ.

Pricing is dependent on the quantity of licenses required as well as the public sector discounts available from any of the vendors, and a formal quotation can be requested following requirements review.
