

Powerful forms get it done

Problem

Too hard to use

Some require coding, others no drag and drop

Don't include templates

Have to build from scratch, or templates too basic

Can't integrate with "your" application

Don't integrate with Salesforce, HubSpot or Mailchimp

Pay for add-ons

Extra \$ for PDF, e-sig or approval routing

Poor support

Slim documentation, no phone or live chat

Outrageous pricing

The Big Question

So, how can you

Some require coding, others no drag and drop

Don't integrate with Salesforce, HubSpot or Mailchimp

Slim documentation, no phone or live chat

Extra \$ for PDF, e-sig or approval routing

Have to build from scratch, or templates too basic

Perhaps you should consider...

Introducing

Powerful forms get it done

Credibility

World's FIRST no-code form builder founded in 2006

Over 20 million users worldwide - Supporting over 130 languages

Easy Customization

The image shows a 'Contact Form' template. At the top left is the title 'Contact Form' and at the top right is a placeholder 'LOGO' in a light blue oval. Below the title are three input fields: 'Last name', 'example@example.com', and an empty field. A dark blue overlay box labeled 'Company Logo' with a 'LOGO' placeholder is positioned over the first two fields. Another dark blue overlay box labeled 'Phone Number' with a phone icon is positioned over the third field, with a mouse cursor pointing at it. Below these fields is a dashed blue box containing the label 'Phone Number' and an input field. At the bottom right is a blue 'Submit' button.

2 | Premium Design Templates

Over 10,000 templates

- Largest collection of customizable templates
- Order forms, hotel booking, medical, surveys, consent
- Checklist, donations and thousands more
- Much easier to edit than to create from scratch

Mobile-Optimized Templates

Fully responsive and work well on all screen sizes

This template is titled "Appointment Request Form" with a sub-label "Appointment". It features a clean, white form on a blue background. The form includes fields for "Full Name" (split into "First Name" and "Last Name"), "Contact Number" (with a placeholder "0000 000 0000" and a note "Please enter a valid phone number"), "Email Address" (with a placeholder "example@example.com"), and "Address" (split into "Street Address" and "Street Address Line 2"). A small "Appointment" tag is visible in the top right corner.

This template is titled "Cleaning Proposal" with a sub-label "Business". It features a white form on a blue background. The form includes a logo for "ACME CLEANING" and a large image of a cleaning mop and bucket. The text "CLEANING PROPOSAL" is prominently displayed in orange. A small "Business" tag is visible in the top right corner.

This template is titled "Grant Proposal" with a sub-label "Proposal". It features a white form on a blue background. The form includes a large image of a city skyline and a logo for "ACME". The text "GRANT PROPOSAL" is prominently displayed in white. A small "Proposal" tag is visible in the top right corner.

This template is titled "New Customer Registration Form" with a sub-label "Registration". It features a white form on a blue background. The form includes fields for "Full Name" (split into "First Name" and "Last Name"), "Address" (split into "Street Address" and "Street Address Line 2"), and "City" and "State / Province". A small "Registration" tag is visible in the top right corner.

Collaboration Features

Work with your team members to design, create, edit, comment and route forms, to speed creation and approval

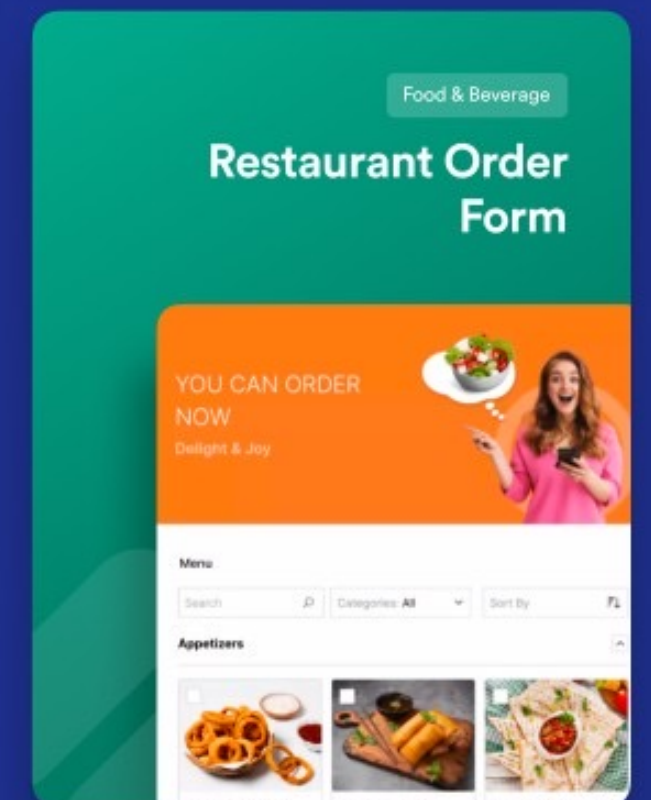

The Order Form template features a green header with a 'Payment' button. The main title 'Order Form' is in white. Below the title is a section titled 'Place Your Order Here' with a 'My Product List' table. The table has columns for checkboxes, product names, descriptions, quantities, and prices. Three products are listed: 'Product Name 1' (\$10.00), 'Product Name 2' (\$20.00), and 'Product Name 3' (\$30.00). A 'Total' of \$60.00 is shown at the bottom right.

The House Rental Agreement template has a green header with a 'Real Estate' button and a social media icon. The title 'House Rental Agreement' is in white. Below the title is a red box with the text 'HOUSE RENTAL AGREEMENT' and a photo of a family. The form includes sections for 'LANDLORD INFORMATION' and 'RENTAL INFORMATION' with various input fields for names, addresses, phone numbers, and dates.

The Payment Agreement template has a green header with a 'Business' button. The title 'Payment Agreement' is in white. Below the title is a form with a header 'ACME GLOBAL' and 'Payment Agreement'. The form includes sections for 'WITNESSETH That' and '1. Payment Plan' with various input fields and checkboxes.

The Restaurant Order Form template has a green header with a 'Food & Beverage' button. The title 'Restaurant Order Form' is in white. Below the title is a section titled 'YOU CAN ORDER NOW' with a photo of a woman holding a plate of food. The form includes a 'Menu' section with a search bar, categories, and sort by options. Below the menu is a section for 'Appetizers' with three food items: 'Crispy Chicken Bites', 'Thai Spring Rolls', and 'Spicy Chicken Wings'.

“ Testimonials ”

We use Jotform Approvals to route requests to the appropriate person. We also use Jotform Tables to keep track of all of our submissions and it has made it much easier to search and filter through our data.

John S

"Jotform is hands down the best form builder on the market. I've tried a number of other form builders and none of them have come close to the ease of use, flexibility, and integrations that Jotform provides. Plus, the customer support is fantastic... look no further than Jotform."

Review from Capterra

Not only is it affordable, but it's also very easy to use and has all the features I need to collect data from my customers.
