PURPOSE

ENABLE NET ZERO ACTION

BUILD CLIMATE CAPABILITY

FOSTER SHARED CLIMATE KNOWLEDGE

Climate Essentials' Net Zero Community provides organisations with a **collaborative space** to build knowledge, capability, and confidence on their net zero journey. Via **expert-led webinars, educational resources, toolkits, and peer learning**, organisations are supported to understand climate requirements, identify priority actions, and **embed credible decarbonisation practices**. It can be used as a standalone platform, or as an add-on to other Climate Essentials software products.

AIMS

CONNECT

Bring organisations together to share knowledge, experience, and best practice on net zero.

BUILD

Strengthen climate capability through practical guidance, toolkits, and expert-led learning.

SIMPLIFY

Make climate action accessible by demistifying sustainability jargon.

SUPPORT

Provide ongoing access to expertise through webinars, Q&A sessions, and peer discussion.

EMBED

Help organisation embed climate action, supporting credible and sustained decarbonisation.

ADDITIONAL FEATURES

Shared Learning

Access a growing library of webinars, guidance, and practical resources shaped by real-world challenges.

Expert Access

Engage directly with climate specialists through live sessions, Q&A, and ongoing support.

Peer Exchange

Learn from other organisations by sharing experiences, challenges, and proven approaches.

Flexible Access

Use the Net Zero Community as a standalone platform or alongside other Climate Essentials software products.

BENEFITS

IMPROVED CLARITY AND CONFIDENCE

Build a clearer understanding of climate topics and net zero

CREDIBLE, EVIDENCE-LED LEARNING

Access expert insight grounded in robust science and best practice

FUTURE-READY CAPABILITY

Stay prepared for evolving climate regulation and reporting expectations

TRUST AND CREDIBILITY

Strengthen transparency through informed, climate communication

COLLECTIVE IMPACT

Learn alongside peers and contribute to shared progress

ACTION-ORIENTED SUPPORT

Use the knowledge to support delivery of net zero goals

HOW IT WORKS

Join

Redeem your invitation to access the Climate Essentials Net Zero Community.

Personalise

We can create sub-communities for your ecosystem based on sector, programme, or supply-chain initiative

Explore

Access the catalogue of premium resources, toolkits, and news designed to support practical climate action.

Learn and Engage

Attend live webinars, submit questions, and access recordings of previous sessions on demand.

Connect and Ask

Engage in Q&A discussions, share experiences with peers, and learn from experts and real-world case studies.

SAMPLE SCREENSHOTS

Our **Net Zero Community** provides organisations with shared learning, resources, and expert support to enable credible progress towards net zero.
