

IRIS BioStore Portal— Pricing

V1 January 2026

IRIS BioStore Portal

Pricing is based on 2 core elements:

- One-off initial setup and implementation costs. These include elements such as delivery and training
- Ongoing subscription costs – also incorporating support

Solution / project elements

Implementation costs – set up and training costs allocated in line with modules and configuration being provided.

Additional Professional Services beyond those quoted for the initial implementation and training etc. - such as additional training or webinars - would incur costs at rates between £400 (webinar) and £600 (training).

Annual Subscription costs include all Helpdesk and Support services.

Examples of modules / individual elements of the solution – core and optional.
