

IRIS Innervision (Lease Accounting) Pricing

Overview of Annual Subscription Costs for IRIS Innervision

Annual subscriptions are derived based on a combination of the number of leases and users. Below is an indicative example based on 50 leases and assuming charges are paid annually in advance based on a 12-month contract.

Pricing will be determined by lease count by banding

- When pricing block is exceeded, pricing will jump to the next band price
- All blocks will allow up to 12 users (10 std and 2 super) as standard
 - Additional Users will be charged at £120 per user per annum and £240 for Super user
