1. Inverifi Pricing

As a SaaS application, our Inverifi product is charged on a per-user, per-month basis. However, in order to ensure that our customers gain as much value for money as possible, lower monthly prices are charged for view-only or occasional users versus full users of the platform.

Our user tiers are as follows:

- Manager
 - Full admin access to all areas of the product
- Editor
 - Full access to all areas of the product (except for the admin section) and ability to create, edit and manage content
- Viewer
 - Read only access all areas of the product (except for the admin section)

See table below for more detailed information.

2. Commercial Terms

- Minimum 1 month contract
- Minimum of 1 Manager per organisation
- Discounts can be provided on longer term commitments
- Notice period for cancellation is 1 calendar month

*In commercial confidence. All rights reserved. Prices may change from time to time and exclude expenses, VAT or other applicable taxes. Other options and services incur additional costs.

3. Pricing tiers

Our pricing tiers and levels of access for each type of user are below. We offer an enterprise tier for larger customers where we will create custom commercial terms which work best for your organisation - for enquiries about this please use the contact form at the bottom of the document.

We also offer discounts based on a number of factors, including contract length, number of users purchased, marketing commitment etc. For more information please contact us.

Pricing table (monthly payment, no long term commitment)

	Manager / Editor	Viewer
Price (per user, per month)	£14.99	£4.99

4. Add-Ons

The following add-ons are not included in the package by default and will incur additional charges upon request:

- Invotra Digital Experience Platform

As part of the Invotra roadmap, this list is subject to change.
