1. Digital Experience Platform (DXP) Pricing

Pricing for the DXP depends on your application requirements but starts from as little as £1 per user, per month.

2. Commercial Terms

- Minimum 1 month contract
- Discounts can be provided on longer term commitments
- Notice period for cancellation is 1 calendar month
- Pricing is dependent on applications enabled

*In commercial confidence. All rights reserved. Prices may change from time to time and exclude expenses, VAT or other applicable taxes. Other options and services incur additional costs.

3. Pricing tiers

The Invotra DXP enables you to choose any combination of our digital workplace applications. With each application that gets enabled there is an additional cost. Discounts will be applied depending on your requirements, user numbers and number of applications.

Base cost = £1 per user, per month

Invotra is constantly evolving their DXP offering, and new applications will be added on a semi-regular basis. Any procurements through this G Cloud Service will be for the Digital Experience Platform itself.
