1. Arto Pricing

As an AI SaaS application, our Arto product is charged based on consumption packages monthly.

Our consumption packages enable you to use upto a set number of AI messages per month at a fixed price.

See table below for more detailed information.

2. Commercial Terms

- Minimum 1 month contract
- Minimum of 1 Admin per organisation
- Discounts can be provided on longer term commitments
- Notice period for cancellation is 1 calendar month

*In commercial confidence. All rights reserved. Prices may change from time to time and exclude expenses, VAT or other applicable taxes. Other options and services incur additional costs.

3. Consumption Packages

We also offer an enterprise tier for larger customers where we will create custom commercial terms which work best for your organisation - for enquiries about this please use the contact form at the bottom of the document.

We also offer discounts based on a number of factors, including contract length, number of users purchased, marketing commitment etc. For more information please contact us.

Packages

Messages per month	Price per month
--------------------	-----------------

2,000	£499
5,000	£1,125
10,000	£1,999

By default, all packages include the following. If you require an enterprise package with dedicated SLA times please contact us as commercial terms will vary depending on requirements..

- Helpdesk Access & Support
- Unlimited assistants
- 99% Uptime

4. Add-Ons

The following add-ons are not included in the package by default and will incur additional charges upon request:

- Invotra Digital Experience Platform

As part of the Invotra roadmap, this list is subject to change.

For any additional questions, please contact us via the form on our website - <https://invotra.com/arto/>
