

Microsoft 365 Modern Work Applications

What we offer

Ingentive specialises in supporting organisations in modernising their work processes, fostering enhanced collaboration and communication. Our extensive experience enables us to assist clients in structuring digital workspaces and integrations to optimise functionality. Additionally, we offer customised training sessions to ensure employees fully utilise available tools and maximise productivity.

Service categories:

- Application development and deployment
- Software quality and life cycle
- Automated software quality

Benefits:

- Seamless collaboration across departments
- Boosted efficiency and saved time
- Real-time messaging and file sharing

- Centralised access with easy retrieval of documents
- Empowered employees

- Heightened security
- Remote work support

- Insightful analytics for better data-driven decision-making
- Flexible mobility
- Ongoing optimisation and troubleshooting assistance

Add-ons & extensions

This can be used as a standalone service, or as an add-on.

This service extends Microsoft 365 and the wider Modern Work ecosystem. It integrates with Microsoft Teams, SharePoint, Power Platform and supported third-party applications to enhance collaboration, communication and productivity. Integrations with tools such as Salesforce or Slack can be delivered where APIs and licensing allow, enabling unified workflows and improved efficiency.

Getting started

Ingentive provides structured onboarding that includes initial setup, configuration guidance, user training and access to support resources. Users receive online documentation, video tutorials and help from our support team. Role-based training and onboarding assistance ensure users can begin working confidently and effectively in Microsoft Modern Work tools.

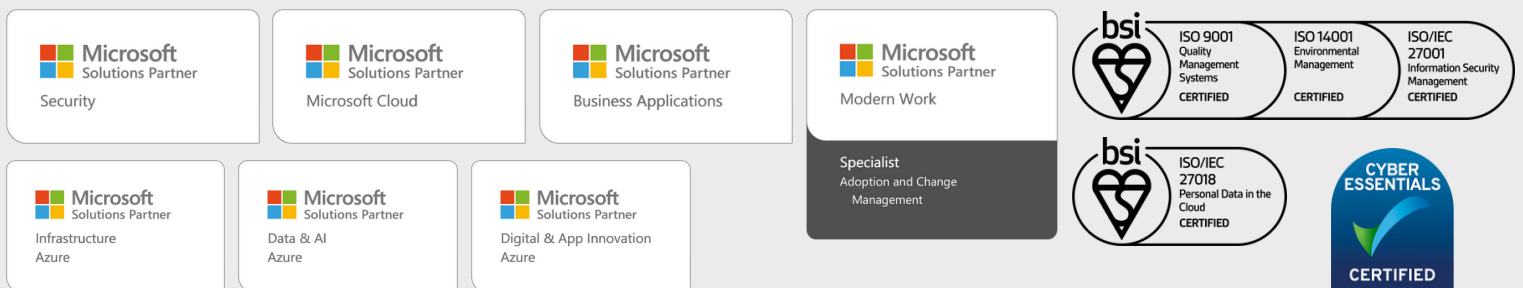

Why choose us?

We live, breathe, eat, sleep, repeat Microsoft and we always have.

As a trusted Microsoft **Inner Circle** member, we bring unmatched expertise, proactive managed services and a transformation-first mindset to keep your business secure, efficient, and future-ready.

Ingentive stands among a select group of organisations worldwide to have earned **all six Microsoft Solutions Partner designations**, plus an additional Microsoft Cloud designation. With seven in total, this exceptional achievement highlights our leadership, innovation, and unmatched capability to help you maximise your Microsoft investments.
