Consultancy Pricing

About Ingentive

Ingentive is a UK-based Microsoft accredited partner delivering consultancy and cloud support services across Microsoft Dynamics 365, Power Platform, Azure, Modern Work, DevOps, Security, Data & Analytics, and Microsoft AI capabilities. We support clients across the full solution lifecycle, providing secure, scalable services aligned to operational and service requirements.

Scope of this Pricing Attachment

This consultancy pricing applies to G-Cloud 15 service submission and supports consultancy-led delivery, support, enablement, optimisation, and continuous improvement activities.

SFIA Rate Card

Ingentive provides SFIA-aligned consultancy services under the G-Cloud 15 framework. Pricing has been submitted via the G-Cloud Digital Platform and represents the maximum chargeable rates under the framework evaluation and call-off purposes.

The table below provides maximum UK day-rate by SFIA level. Final pricing for any engagement will be agreed at call-off based on the required role, scope, duration, delivery model, and buyer requirements, and may be lower than the framework rates.

SFIA Level	Typical Role Examples	UK Day Rate (excl. VAT)
Level 7	Partner, Director, Chief/Principal Architect, Head of Practice	£1,300
Level 6	Programme Director, Enterprise/Lead Architect, Senior Delivery Manager	£950
Level 5	Lead Consultant, Workstream Lead, Senior Specialist	£900
Level 4	Consultant, Engineer, Engineer, Analyst	£700
Level 3	Junior Consultant, Associate Engineer, Junior Analyst	£500
Level 2	Analyst, PMO, Support Specialist	£450

Where appropriate and subject to client agreement, near-shore and offshore consultancy delivery may be available at reduced day rates, with UK-based accountability retained.

Standards for Consultancy Day Rates

- Standard working day: 7.5 hours
