Full free use of LocumDeck for all sessional GPs (clinicians) working in any practice within the ICB, covering all direct online booking fees for face-to-face sessions, GP Locum Chambers peer-support group membership, monthly reporting, mobilisation and engagement plan.	

Individual GP (clinician) sponsorship

GP practices/PCOs - managing sessional GPs (clinicians)	£0 No charge to practice/PCO
Any GP practice/PCO can direct online book a face-to-face or remote sessional GPs (clinicians), view all uploaded credentials such as CVs, references, DBS checks, and instant-sign paperless Locum Form A	

GPs (clinicians) - monthly standard membership fee	£12/month per sessional GP (clinician) fulfilled
Full use of the digital platform LocumDeck, to include making all essential and non-essential documents for practices/PCO, such as CVs, DBS and training certificates, references, testimonials. Includes invoicing, integrated paperless NHS pension forms, fully functional locum bookings calendar and much more. Members also benefit from exclusive webinars, podcasts and discounts for relevant national organisations such as MPS.	

GPs (clinicians) - monthly Chambers membership fee	£35/month per sessional GP (clinician) fulfilled
This membership tier includes a more supported membership though admin and also participation/education/training as part of a peer support chamber meeting once a month. They also have capped booking fees. Members also benefit from exclusive webinars, podcasts and discounts for relevant national organisations such as MPS. Full use of LocumDeck, to include making all essential and non-essential documents for practices/PCO, such as CVs, DBS and training certificates, references, testimonials. Includes invoicing, integrated paperless NHS	

pension forms, fully functional locum bookings calendar and much more.

Sessional GPs (clinicians) - session fee	15/session for each 1/2 day session/shift fulfilled
Sessional GPs (clinicians) can commit to be booked directly online by specific practices/PCO of their choosing. Organisations can then browse dates and times, review the credentials, terms, CVs, testimonials, and then instantly book and confirm the sessional GPs (clinicians) of their choice. At the end of the month that the GP (clinician) worked a session that was booked using direct online booking, they pay £15 per 1/2 day session/shift via Direct Debit to the NASGP.	

Sessional GP (clinician) - remote desktop	£15/session for each 1/2 day session/shift fulfilled
For any GP practice/PCO whose IT clinical system's 'virtualised environment' is switched to 'on', the organisation can directly online book a vetted remote GP (clinician) on LocumDeck, in the same way that they can directly online book a face-to-face GPs. The remote GP uses their own laptop, utilising their NHS smartcard to connect their own personal computer to the organisation. The GP locum then has full access to the organisation's Emis or SystmOne clinical system, including electronic prescribing, e-Consult, AccuRx, lab reports and much more.
