SERVICE DEFINITION

Infor M3

INTRODUCTION

Decillion Digital partners with leading technology providers to deliver Infor M3, a cloud-based ERP designed for global manufacturers and distributors. Our expertise spans discrete manufacturing, distribution operations, and equipment rental management. Running on a secure, multi-tenant AWS cloud platform, Infor M3 offers a modern, intuitive user experience and seamlessly manages complex multi-country tax, regulatory, and legal requirements.

SERVICE FEATURES

- Supports both discrete and process manufacturing with comprehensive lifecycle management.
- Optimises distribution and logistics operations to improve fulfilment efficiency.
- Delivers robust equipment and rental management capabilities for asset-intensive industries.
- Enables seamless multi-country operations with global reach and localisation features.
- Provides a modern, intuitive, web-based user interface for improved productivity.
- Operates on a secure, multi-tenant AWS cloud platform with high availability.
- Ensures continuous access to the latest security enhancements and feature updates.
- Handles complex tax regulations, multi-language needs, and country-specific compliance.
- Integrates smoothly with broader enterprise systems and business applications.
- Scales effortlessly to support business growth and evolving operational demands.

SERVICE BENEFITS

- Streamlines global operations while ensuring full regulatory compliance.
- Enhances productivity through a modern, intuitive user experience.
- Reduces IT overhead with a cloud-first, always-up-to-date deployment model.
- Provides real-time visibility into manufacturing performance and workflows.
- Optimises distribution and logistics processes for greater efficiency.
- Leverages secure, resilient AWS hosting for maximum reliability.
- Delivers faster access to new features, updates, and ongoing innovation.
- Improves decision-making with unified, enterprise-wide data insights.
- Scales effortlessly to support growth and evolving operational needs.
- Offers a cost-effective ERP platform that drives measurable business value.

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.
