SERVICE DEFINITION

Successfactors

INTRODUCTION

Decillion Digital provides comprehensive transition planning and support for SAP SuccessFactors, covering the full lifecycle from initial planning through post-go-live optimisation. We offer strategic advisory services, system health checks, integration planning, and skilled resources to manage complex transitions. Our approach ensures smooth delivery, operational excellence, and long-term stability across SuccessFactors environments.

SERVICE FEATURES

- Provide specialist transition consultants and cloud experts with deep SAP SuccessFactors experience.
- Deploy ITIL-certified professionals with strong operational and service-management expertise.
- Offer flexible, on-demand resourcing to support capacity peaks and critical project phases.
- Apply a standardised transition framework tailored to each organisation's requirements.
- Support seamless onboarding and offboarding of cloud service providers.
- Deliver SuccessFactors strategic advisory services and comprehensive system health checks.
- Provide reporting, analytics, and quality assurance to ensure transparency and performance.
- Offer expert support across Employee Central, Onboarding, and Recruiting modules.
- Enable SAP Payroll and Work Zone integrations for unified HR service delivery.
- Supply dedicated specialists for compensation, performance, and goal-management processes.

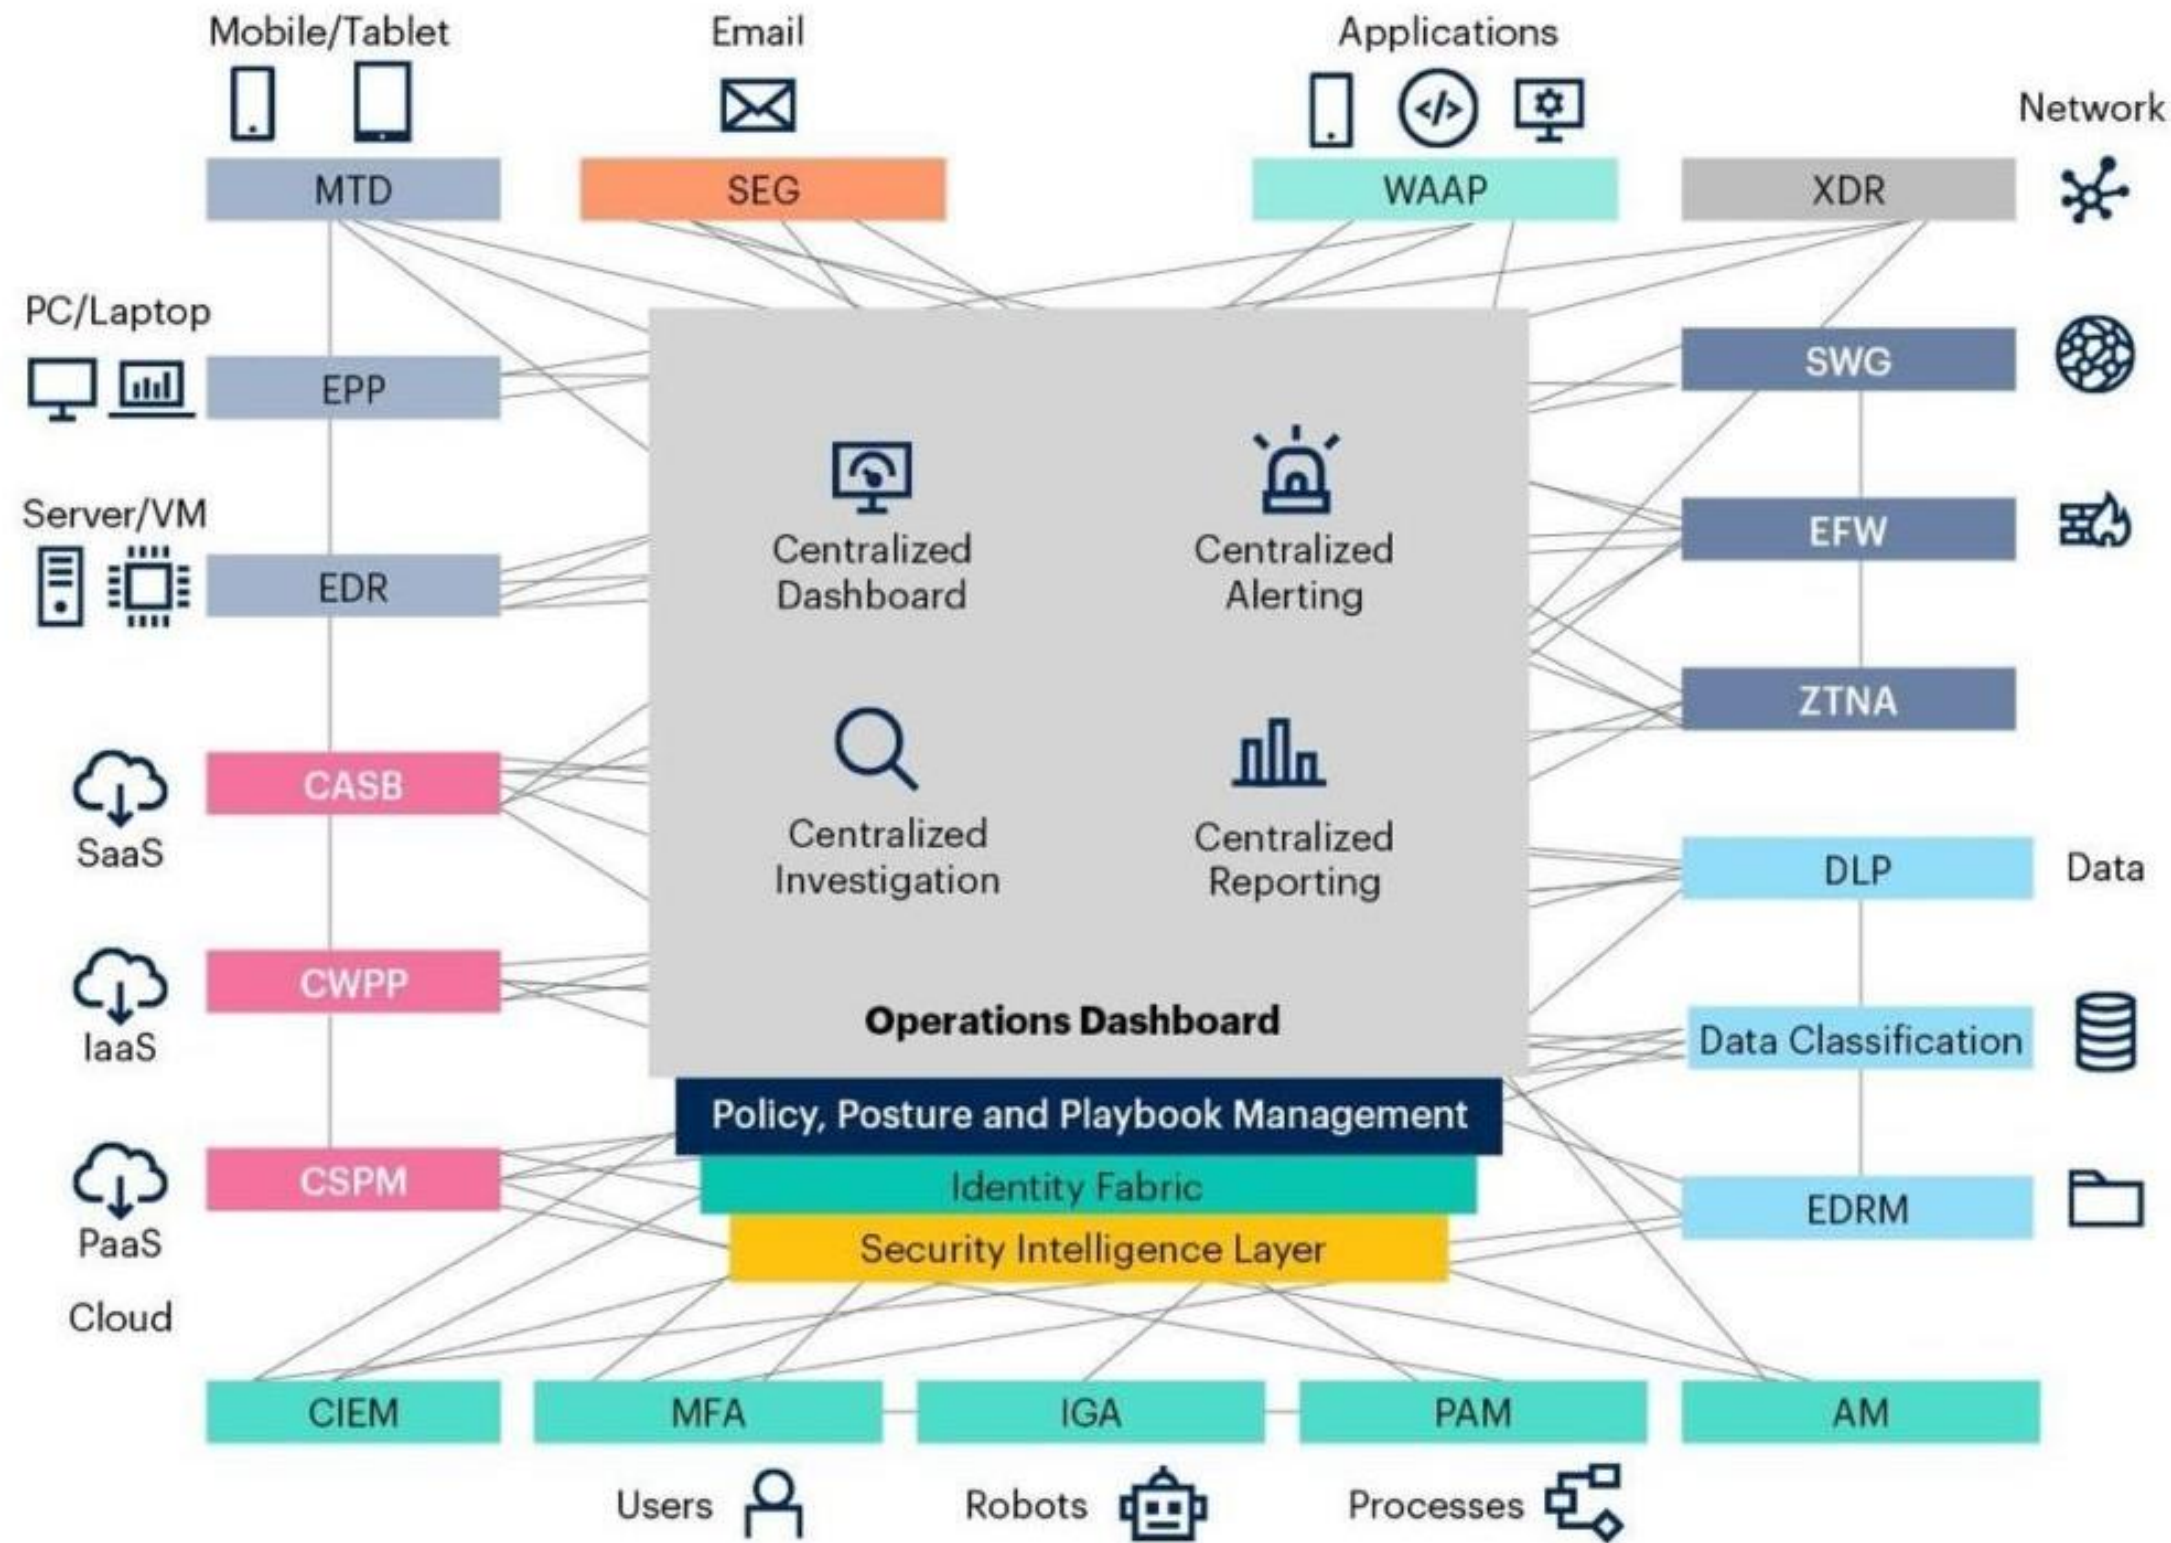

SERVICE BENEFITS

- Reduces transition risk for even the most complex SuccessFactors projects.
- Provides flexible resourcing to effectively manage peak workloads and critical phases.
- Drives operational excellence while delivering measurable financial benefits.
- Supports staff through structured coaching and comprehensive knowledge transfer.
- Ensures on-time, on-budget delivery through disciplined project governance.
- Offers access to certified consultants across multiple SuccessFactors modules.
- Promotes the adoption of standardised, world-class business processes.
- Minimises implementation risk while maximising return on IT investment.
- Delivers real-time reporting and analytics for full transparency and control.
- Utilises agile project management methods to accelerate delivery and increase adaptability.

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.

OUR MISSION

To be a leading provider of technology solutions, known for our commitment to innovation, quality, and client satisfaction.
