SERVICE DEFINITION

Enterprise CMS

INTRODUCTION

Decillion Digital, an Optimizely Gold Partner, delivers best-in-class enterprise CMS solutions. We design and build bespoke websites and Drupal-based intranets fully compliant with UK Government standards. Our services span content migration, ERP/CRM integration, and secure hosting, ensuring high accessibility, robust performance, and advanced content-management capabilities.

SERVICE FEATURES

- End-to-end research, design, and delivery of fully bespoke websites.
- Seamless migration from legacy platforms into Optimizely environments.
- Advanced integrations connecting Optimizely with ERP, CRM, and other enterprise systems.
- Full-featured eCommerce solutions built on the Optimizely platform.
- Secure, optimised hosting configured to ISO 27001 standards.
- UK-based support, maintenance, and continuous optimisation services.
- Modern intranet solutions built on leading open-source Drupal 8. Enhanced content discovery powered by Apache Solr search technology.
- Fully mobile-responsive, rich-feature intranet experiences.
- Designs and implementations aligned with WCAG accessibility standards.

SERVICE BENEFITS

- Enterprise-grade CMS platform delivering best-in-class performance and flexibility.
- Built on a mature, stable, and highly secure architecture.
- Designed for ease of use, enabling editors to create and manage content effortlessly.
- Fully responsive experience across desktop, tablet, and mobile devices.
- Features comprehensive content versioning, auditing, and rollback controls.
- Supports personalisation and user-segment targeting to enhance engagement.
- Enables multi-lingual and multi-channel content strategies with ease.
- Provides the capabilities needed to build fully GDPR-compliant digital experiences.
- Offers highly accessible, user-friendly interfaces aligned with usability standards.
- Includes 24/7 support options and robust disaster-recovery capabilities.

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.

OUR MISSION

To be a leading provider of technology solutions, known for our commitment to innovation, quality, and client satisfaction.
