A stylized illustration of a laptop is shown on the right side of the slide. The laptop's screen is white and displays the text 'SERVICE DEFINITION' in a bold, black, sans-serif font. Below this, the text 'PLM' is displayed in a smaller, bold, black, sans-serif font. The laptop itself is represented by a simple black outline with a light gray base.

SERVICE DEFINITION

PLM

INTRODUCTION

Decillion Digital's Product Lifecycle Management (PLM) service provides expert guidance to help organisations optimise their PLM environments. We strengthen collaboration, streamline data management, and enhance end-to-end process integration. Our solutions enable teams to simplify complexity, accelerate product development, and drive innovation across the entire lifecycle—from initial concept to end-of-life—supporting diverse industries and operational needs.

SERVICE FEATURES

- Develop tailored PLM strategies aligned with each organisation's business goals.
- Configure PLM systems comprehensively to meet unique operational requirements.
- Provide integration support to ensure seamless data flow across enterprise systems.
- Customise workflows to enhance efficiency and streamline product development processes.
- Deliver training and ongoing support to enable effective system adoption and utilisation.
- Consolidate data into a unified product information hub for improved visibility and control.
- Offer advanced analytics to empower informed, insight-driven decision-making.
- Support regulatory compliance and quality management across the product lifecycle.
- Conduct system evaluations and optimisation initiatives to maximise long-term value.
- Enable improved team collaboration with integrated communication and productivity tools.

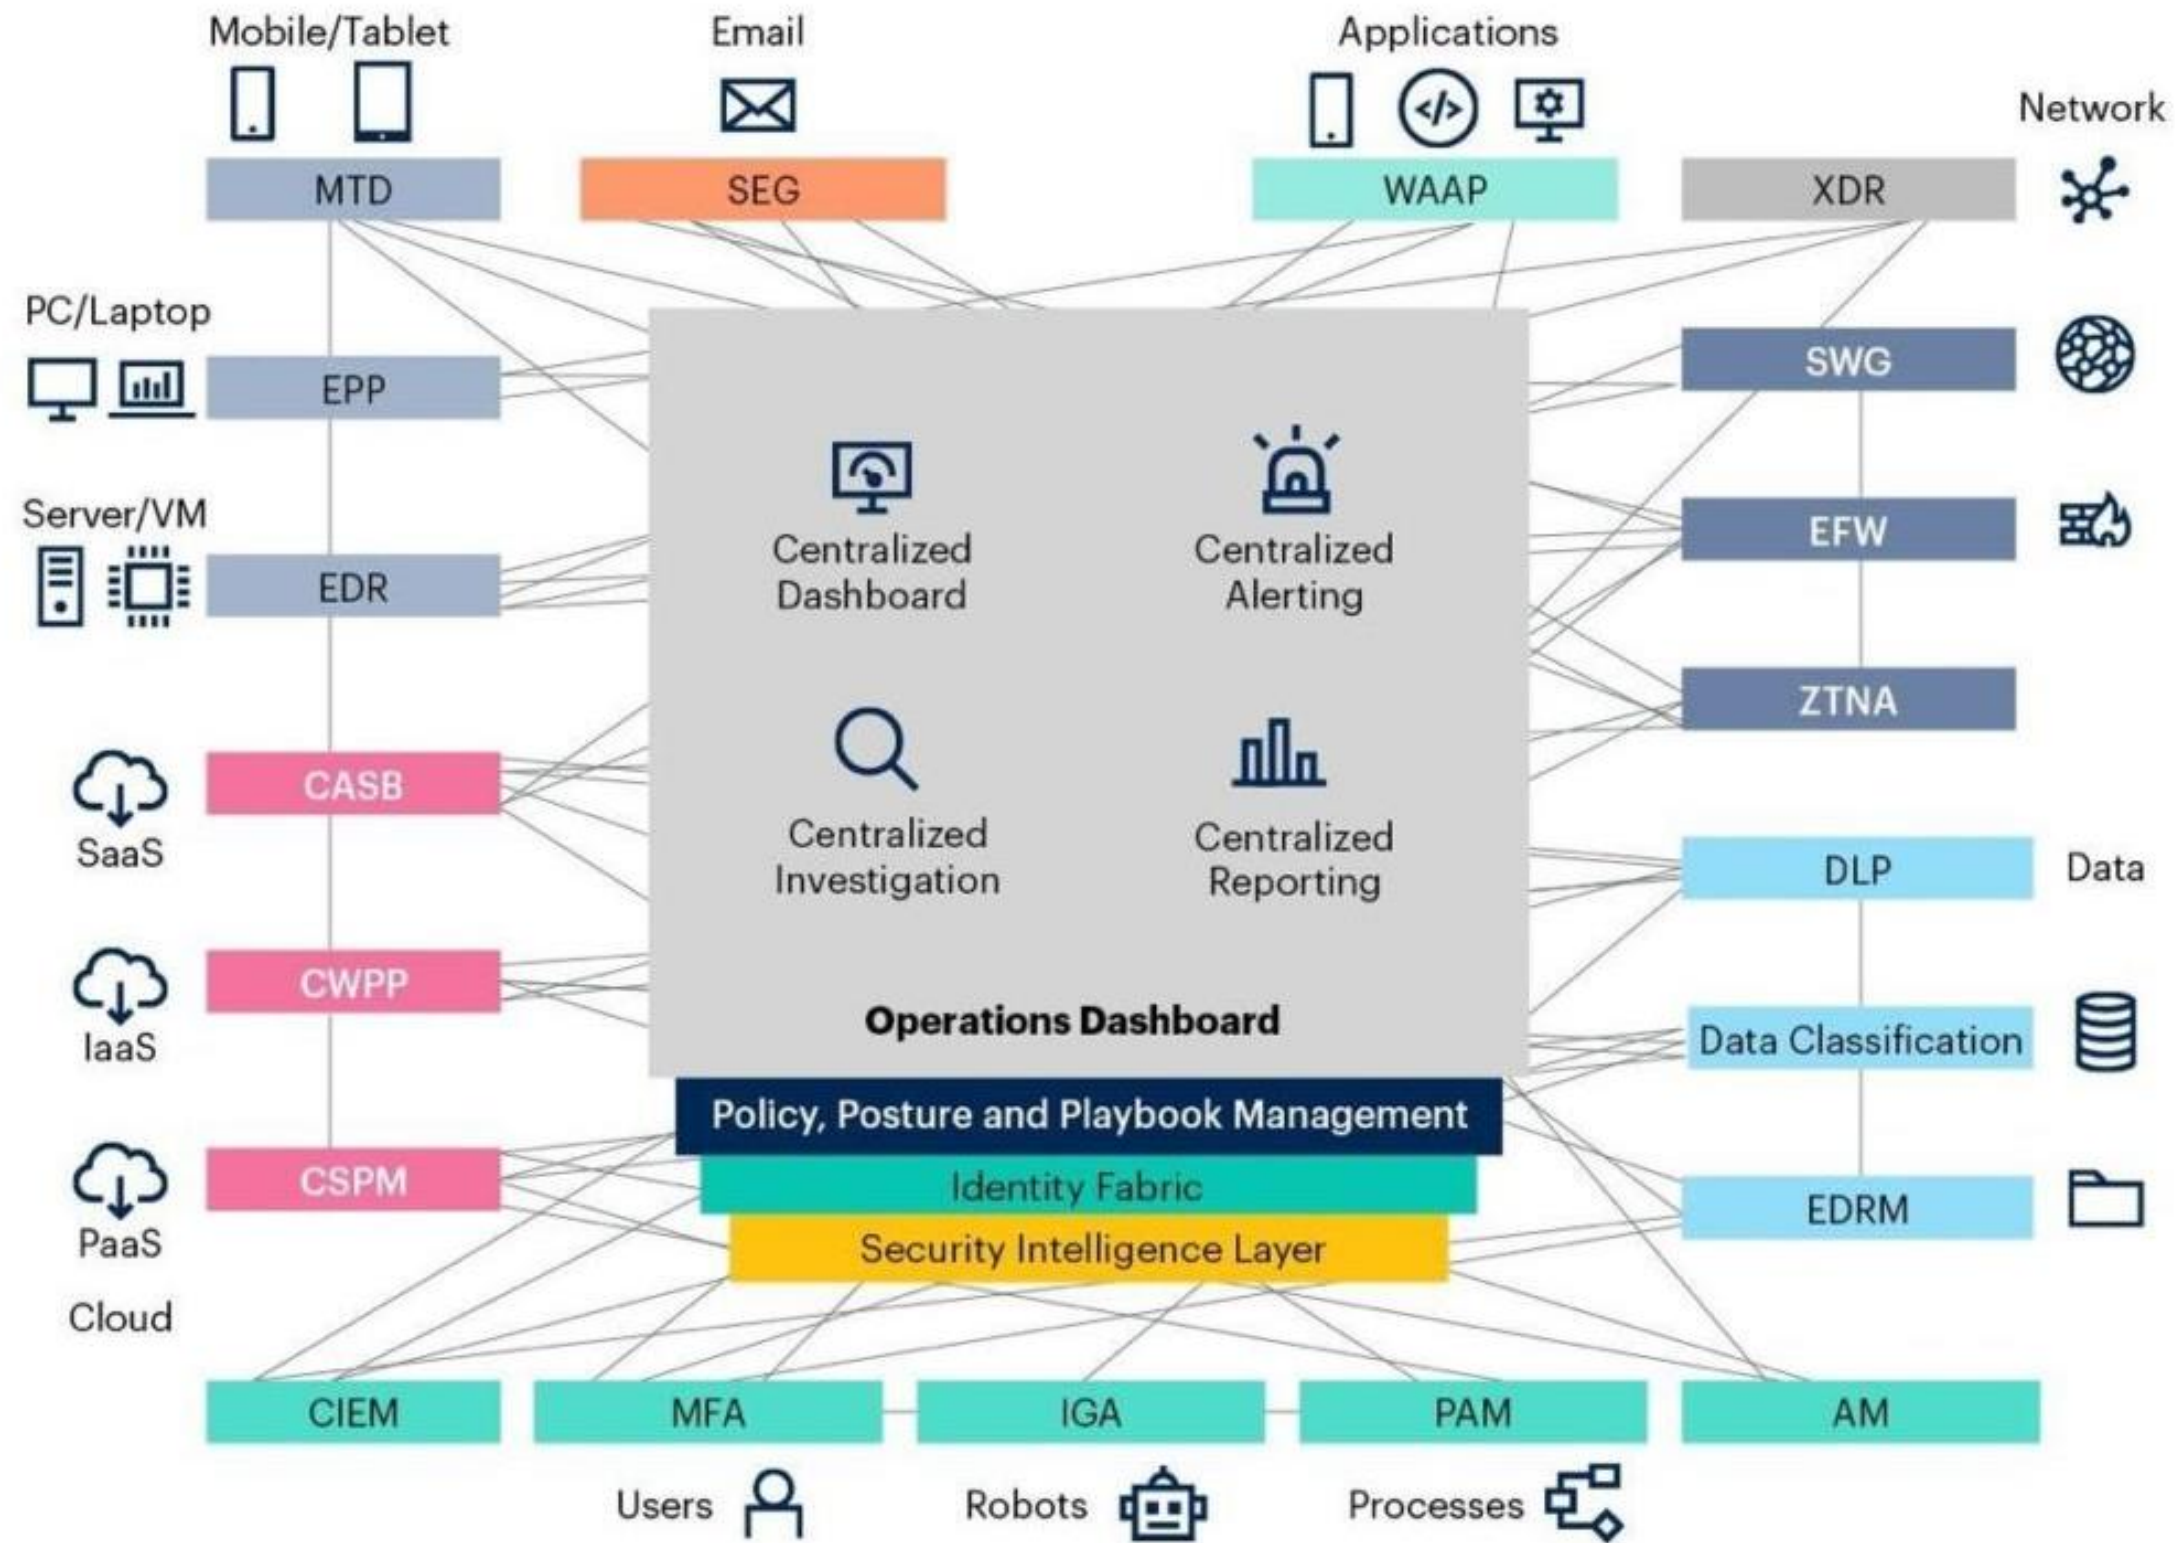

SERVICE BENEFITS

- Accelerates product development cycles through streamlined, integrated lifecycle processes.
- Shortens time-to-market by removing operational bottlenecks and improving throughput.
- Elevates product quality with unified data insights and consistent information flows.
- Simplifies adherence to industry and regulatory standards with built-in compliance support.
- Enhances decision-making by providing real-time access to accurate product data.
- Boosts operational efficiency by automating repetitive and manual lifecycle tasks.
- Offers scalable PLM capabilities that evolve with business growth and complexity.
- Reduces operational risk through consistent, centralised data management practices.
- Strengthens global teamwork with collaborative tools that connect distributed teams.
- Delivers a competitive edge by aligning product lifecycle processes with strategic goals.

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.

OUR MISSION

To be a leading provider of technology solutions, known for our commitment to innovation, quality, and client satisfaction.
