SERVICE DEFINITION

Cloud FinOps Platform

INTRODUCTION

Decillion Digital delivers a platform-led FinOps capability to help organizations govern and optimize cloud financials. We design and implement cost management strategies across AWS, Azure, and GCP, combining assessments, automated cost controls, and continuous optimization to ensure cloud spend aligns with business value and accelerates cloud adoption.

SERVICE FEATURES

- Design and delivery of a SaaS-based FinOps platform
- Automated cloud cost controls and financial governance
- Ongoing operation and maintenance of FinOps services
- Review of workload design and cost allocation models
- Well-Architected reviews across cloud deployments
- Definition of continuous cost optimization strategies
- Immediate and ongoing optimization support
- Shift-left cost awareness through real-time dashboards and reporting
- Recommendations for cost-efficient, cloud-native services
- Implementation of budgets, policies, and cost controls

SERVICE BENEFITS

- Eliminates operational overhead through a fully managed service
- Enables predictable, controlled cloud spending
- Provides complete visibility into cloud costs
- Supports better, faster decision-making for stakeholders
- Delivers immediate short-term cost savings
- Embeds FinOps best practices into day-to-day operations
- Strengthens internal skills and financial awareness
- Establishes clear financial accountability across IT teams
- Reduces cloud emissions through intelligent scheduling
- Lowers ongoing operational management costs

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.

OUR MISSION

To be a leading provider of technology solutions, known for our commitment to innovation, quality, and client satisfaction.
