SERVICE DEFINITION

Human Resources (HR)

INTRODUCTION

Decillion Digital enhances Dynamics 365 Human Resources to drive organisational success. Our connected solution supports recruitment, onboarding, and comprehensive HCM reporting. We deliver discovery, governance, and technical architecture expertise to transform employee experiences, increase operational agility, and unlock meaningful workforce insights for public-sector organisations.

SERVICE FEATURES

- Optimise people management and task coordination across the organisation.
- Streamline compensation, leave, and absence management with automated workflows.
- Strengthen compliance and enhance talent outcomes with intelligent HR processes.
- Provide intuitive employee and manager self-service portals to improve empowerment and efficiency.
- Support employee development with transparent performance tracking and growth tools.
- Integrate seamlessly with LinkedIn Talent Solutions for smarter recruitment and sourcing.
- Enable reliable payroll operations through provider integrations.
- Deliver rich HR insights with Power BI dashboards and visual analytics.
- Maintain robust privacy and security aligned to industry and regulatory standards.
- Support organisational design, role optimisation, and workforce restructuring.

SERVICE BENEFITS

- Enhance employee experiences and overall satisfaction through intuitive HR processes.
- Simplify the management of benefits, compliance, and policy administration.
- Increase organisational agility and adaptability with modern, flexible HR tools.
- Enable data-driven decision-making through centralised workforce insights.
- Improve team performance by empowering managers with self-service capabilities.
- Support personal growth with structured training tracking and development tools.
- Reduce administrative effort with streamlined leave and absence workflows.
- Optimise HR operations through intelligent workflow automation.
- Accelerate access to quality candidates via integrated recruitment solutions.
- Delivered by CIPD-qualified HR specialists for trusted, expert guidance.

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.

OUR MISSION

To be a leading provider of technology solutions, known for our commitment to innovation, quality, and client satisfaction.
