SERVICE DEFINITION

Power Bi/ Power Platform

INTRODUCTION

Decillion Digital delivers dynamic Power BI visualisations and enterprise-grade business intelligence solutions. We embed interactive reports directly into Microsoft Teams and SharePoint and provide fully multilingual capabilities. As a certified Microsoft Partner, we offer consultancy, governance, and training to ensure BI environments are secure, accessible, and automated—fully aligned with OWASP and WCAG standards.

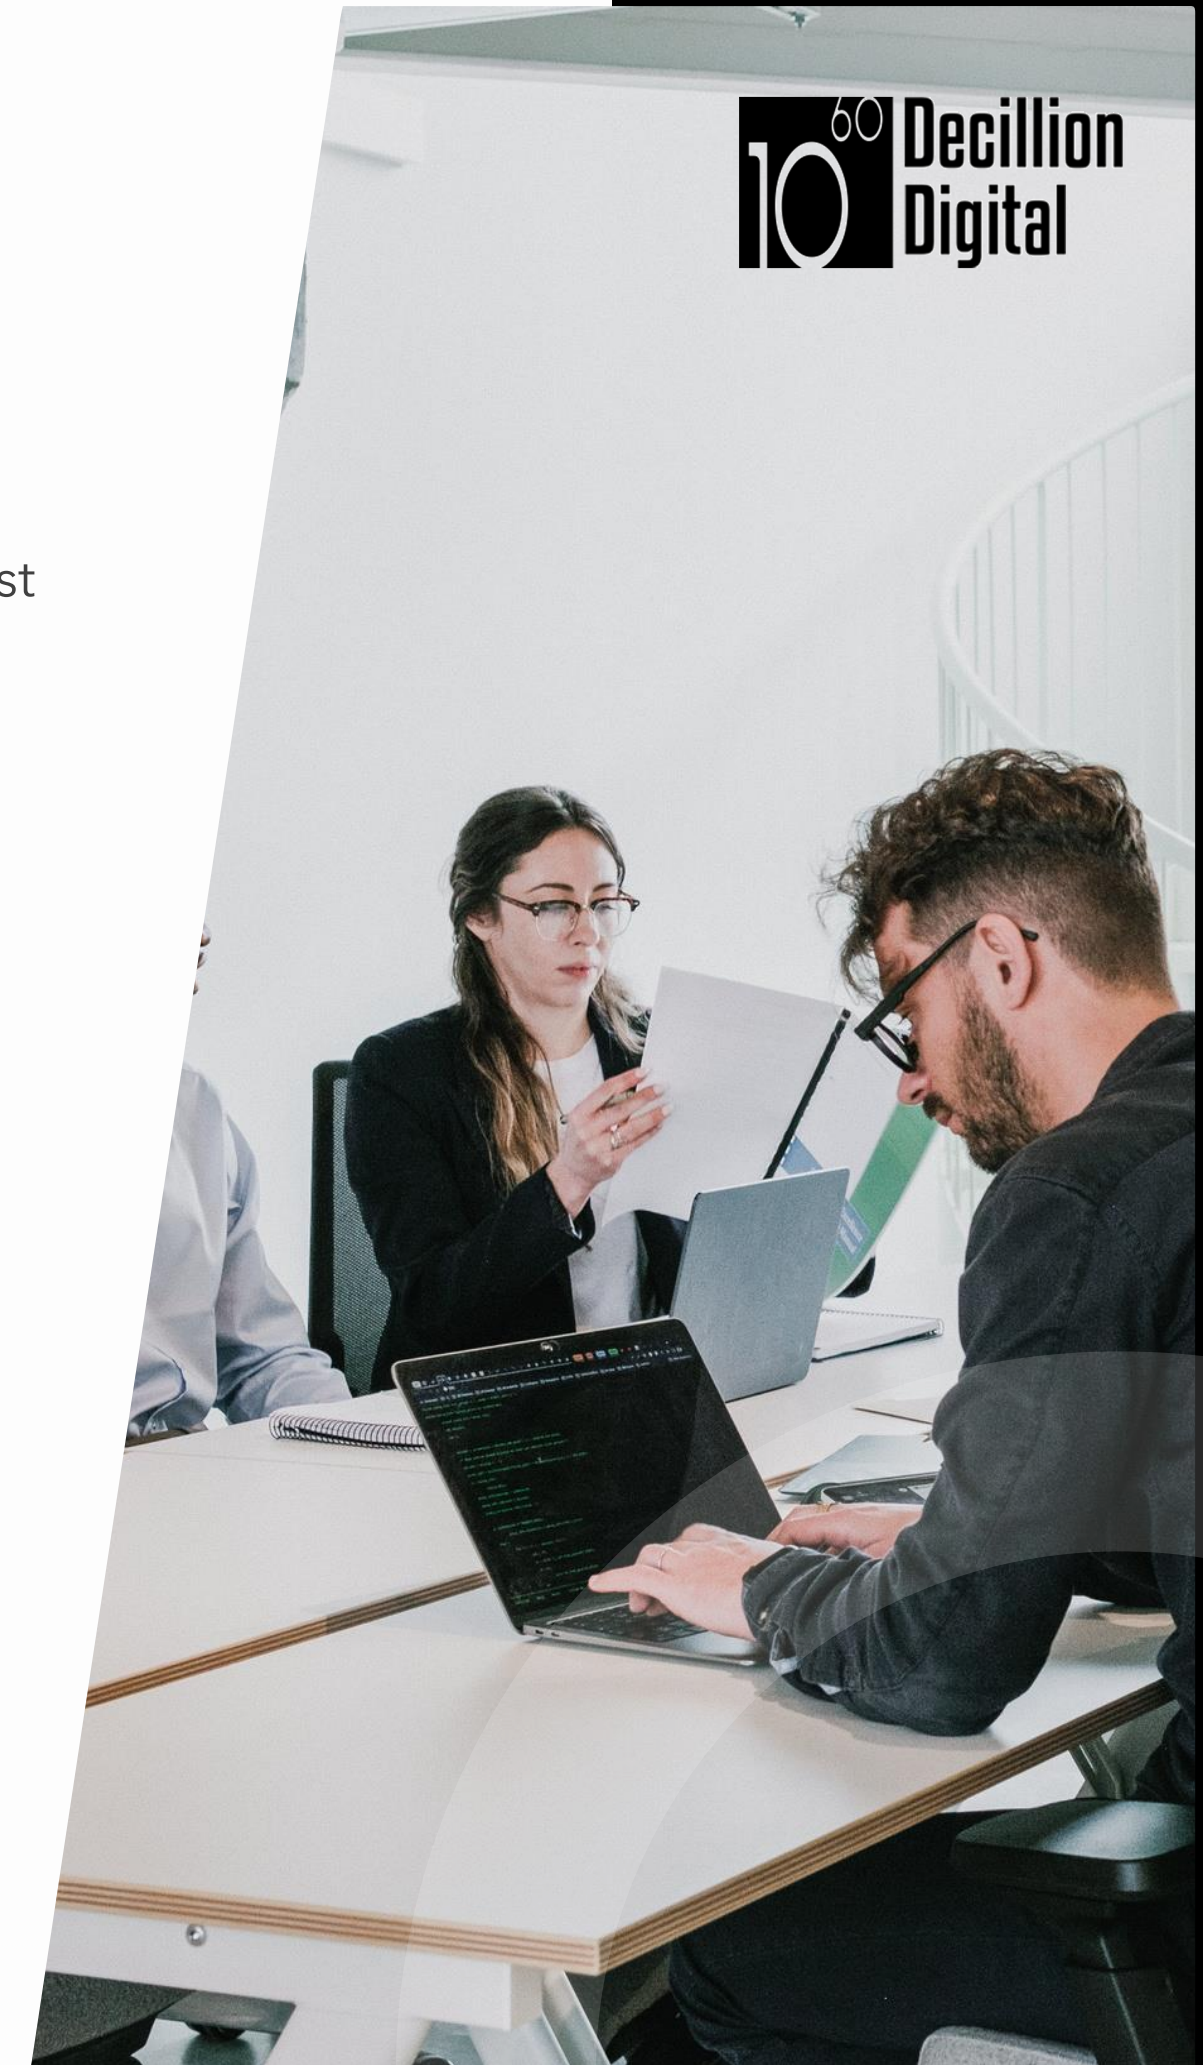

SERVICE FEATURES

- Develop fully interactive reports and dashboards that bring data to life.
- Use an intuitive drag-and-drop interface that accelerates report creation.
- Implement comprehensive security controls to protect sensitive data.
- Modernise organisational reporting by leveraging the full Power BI ecosystem.
- Embed AI-driven insights directly within reports for smarter decision-making.
- Provide a wide selection of charts and visualisations to suit every analysis need.
- Build sophisticated data models to support complex analytics scenarios.
- Connect to hundreds of data sources through an extensive library of connectors.
- Deliver multilingual report designs to support diverse user communities.
- Ensure accessibility and consistency by following WCAG and Fluent UI design standards.

SERVICE BENEFITS

- Significantly reduce reporting time through streamlined, automated analytics.
- Connect seamlessly to data sources across the organisation, wherever they reside. Boost productivity with timely, insight-driven decision-making.
- Increase reporting agility with the full power and flexibility of Power BI.
- Enable smarter, data-driven decisions across all business functions.
- Transform manual reporting processes into automated, scalable services.
- Deliver measurable business and financial benefits through improved efficiency.
- Host securely on Azure or Microsoft 365 with enterprise-grade security and compliance.
- Align with Gov.UK Open Standards to ensure accessibility and interoperability.
- Gain support from certified Microsoft experts for design, optimisation, and governance.

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.

OUR MISSION

To be a leading provider of technology solutions, known for our commitment to innovation, quality, and client satisfaction.
