SERVICE DEFINITION

Cloud HR System

INTRODUCTION

SpotHRM by Decillion Digital is a fully integrated personnel management platform designed for UK organisations. It centralises staff data, rostering, sickness management, and reporting in one system. With seamless connectivity to payroll and wider enterprise applications, SpotHRM delivers real-time workforce insights to support strategic planning and optimise resource deployment.

SERVICE FEATURES

- Integrates seamlessly with a wide range of enterprise and HR systems.
- Connects effortlessly to payroll through streamlined data extracts.
- Delivers real-time management reporting and actionable workforce analytics.
- Ensures precise tracking of attendance, absence, and sickness records.
- Provides a single point of data entry to improve accuracy and reduce duplication.
- Offers self-service configuration and administration for greater flexibility.
- Supports efficient rostering and real-time appliance/availability management.
- Automates alerts and reminders for key managerial tasks.
- Secures all personnel data with robust access controls and compliance measures.
- Scales effortlessly to support growing teams and evolving workforce demands.

SERVICE BENEFITS

- Strengthens frontline operations while delivering significant back-office cost savings.
- Eliminates duplicate data entry and removes the need for paper-based processes.
- Enables faster, more efficient deployment of staff and resources.
- Provides real-time visibility into workforce availability and operational capacity.
- Delivers critical insights to support informed, strategic decision-making.
- Enhances organisational resilience by supporting both operational and support teams.
- Improves strategic workforce planning by identifying staffing levels and potential shortfalls.
- Streamlines the end-to-end management of personnel and resources.
- Boosts efficiency through intuitive self-service capabilities for staff and managers.
- Reduces the administrative workload placed on HR and management teams.

SOLUTION APPROACH

ABOUT US

As a Decillion we partner in bridging technology and business innovation. With an extensive background across diverse technological verticals, we are dedicated to empowering your business through tailored digital solutions.

Our Expertise

Microsoft Dynamics	Technical Consulting	Azure DevOps	Technology Training	E-commerce Solutions
We specialize in MS Dynamics to streamline CRM and ERP systems, enhancing efficiency and productivity for businesses of all sizes.	Our expert consultants are adept at diagnosing your technical challenges and crafting strategic solutions that align with your business objectives.	We leverage Azure to improve your software development lifecycle, enabling faster deployment, reliable operations, and seamless integration of disparate systems.	Decillion Digital offers comprehensive training programs designed to upskill your team and keep them abreast of the latest technological advancements.	We create robust e-commerce platforms tailored to your specific needs, ensuring scalable, secure, and user-friendly shopping experiences.

At Decillion, we believe in the power of technology to transform businesses. Our approach combines innovative strategies with cutting-edge technologies to deliver measurable results. We are committed to providing exceptional service and building long-lasting relationships with our clients.

OUR MISSION

To enable businesses to achieve their full potential through the strategic implementation of technology.
