About this document

This pricing document sets out the licence fees and optional day rates for the EYEV: Community EPR cloud software service. All prices are exclusive of VAT.

1. Introduction

A description of the products and services provided are included in the accompanying service definition for EYEV: Community EPR.

The EYEV: Community EPR platform is provided under licence for the prices below, which are exclusive of VAT.

2. Core pricing

Licence fees (per patient registration)

A patient registration is counted when a unique patient record is created/registered in the EYEV: Community EPR service during the contract year. Billing is based on the total number of patient registrations in the relevant period, as agreed in the call-off contract.

Annual patient registrations	Price per patient registration (ex VAT)
Up to 100,000 patients per year	£1.90
100,000+ patients per year	£1.00

Any additional services (for example onboarding support, bespoke configuration, reporting changes or integrations) can be provided and agreed through the call-off contract.

3. Rate card

Our standard day rates for ad-hoc services outside the core licence are outlined below. All prices are exclusive of VAT.

Description	Standard day rate (ex VAT)
Digital Health Consultant	£1,100
Software Architect	£900
Software Developer	£800

4. VAT

All prices are exclusive of VAT. VAT will be applied at the relevant rate at the time of invoicing.
