CoPERCEPTUO

ABOUT US

AI-driven platform transforming IT governance and decision-making for organisations.

- Manchester-based team with decades of IT consultancy experience.
- Spun out of an IT consultancy, founded in 2022.
- Backed by Innovate UK and angel investors.
- Product launched in 2023 and has been continually enhanced with user feedback.
- Experience across healthcare, local government, housing, charity and private sectors.

OUR MISSION & VALUES

Our Mission

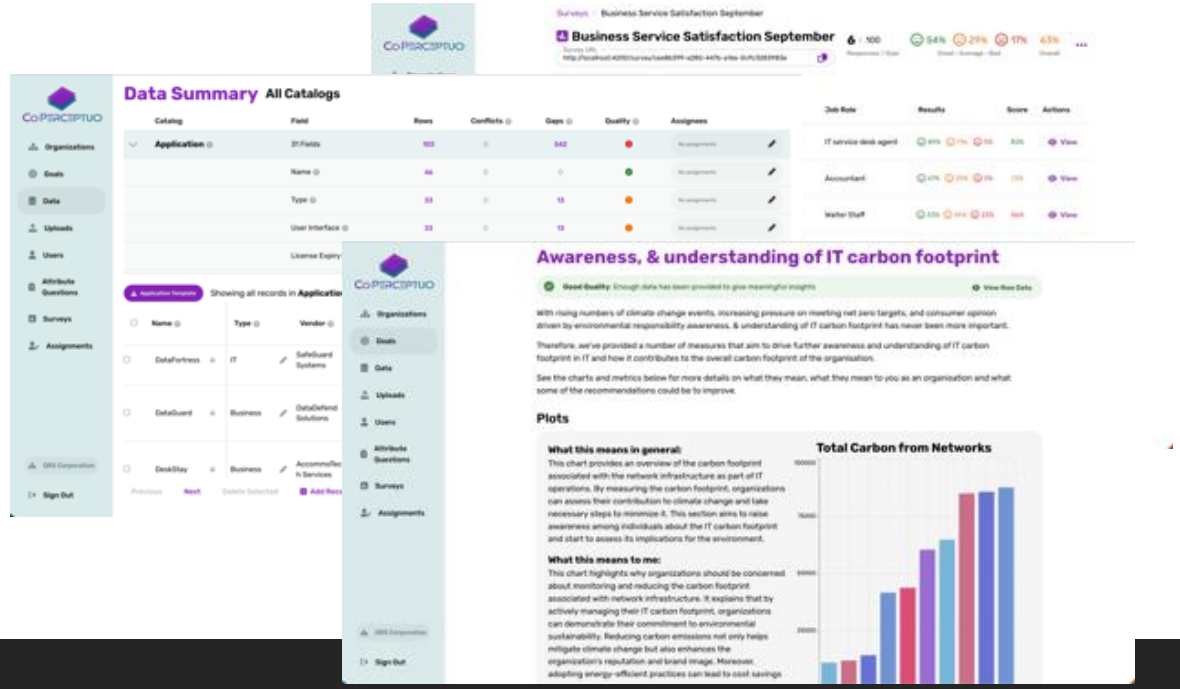

- Give IT leaders trusted evidence to make confident, timely and assured decisions.

Our Values

- **Honest:** We are uncompromisingly honest in everything we do, providing data and insight that customers can rely on.
- **Inquisitive:** We are endlessly inquisitive in how we can improve, adapt and innovate to continually bring new value to our clients.
- **Mindful:** We are always mindful of and value the needs of our customers, team-mates, investors and the environment in which we operate.
- **Unique:** We have an underlying determination and passion to break the mould; not for the sake of it, but because we're passionate about change.

CoPERCEPTUO

Helps IT Leaders To…

Reduce Audit Effort

Cut time and cost of repeated IT reviews by consolidating evidence in one platform.

Assure Decisions

Make confident decisions backed by real-time operational data and continuous insight.

Articulate Challenges

Demonstrate IT value by connecting business outcomes to service capability and delivery.

Serve Intelligently

Understand what end-users need and prioritise IT services that genuinely add value.

THE COPERCEPTUO PLATFORM

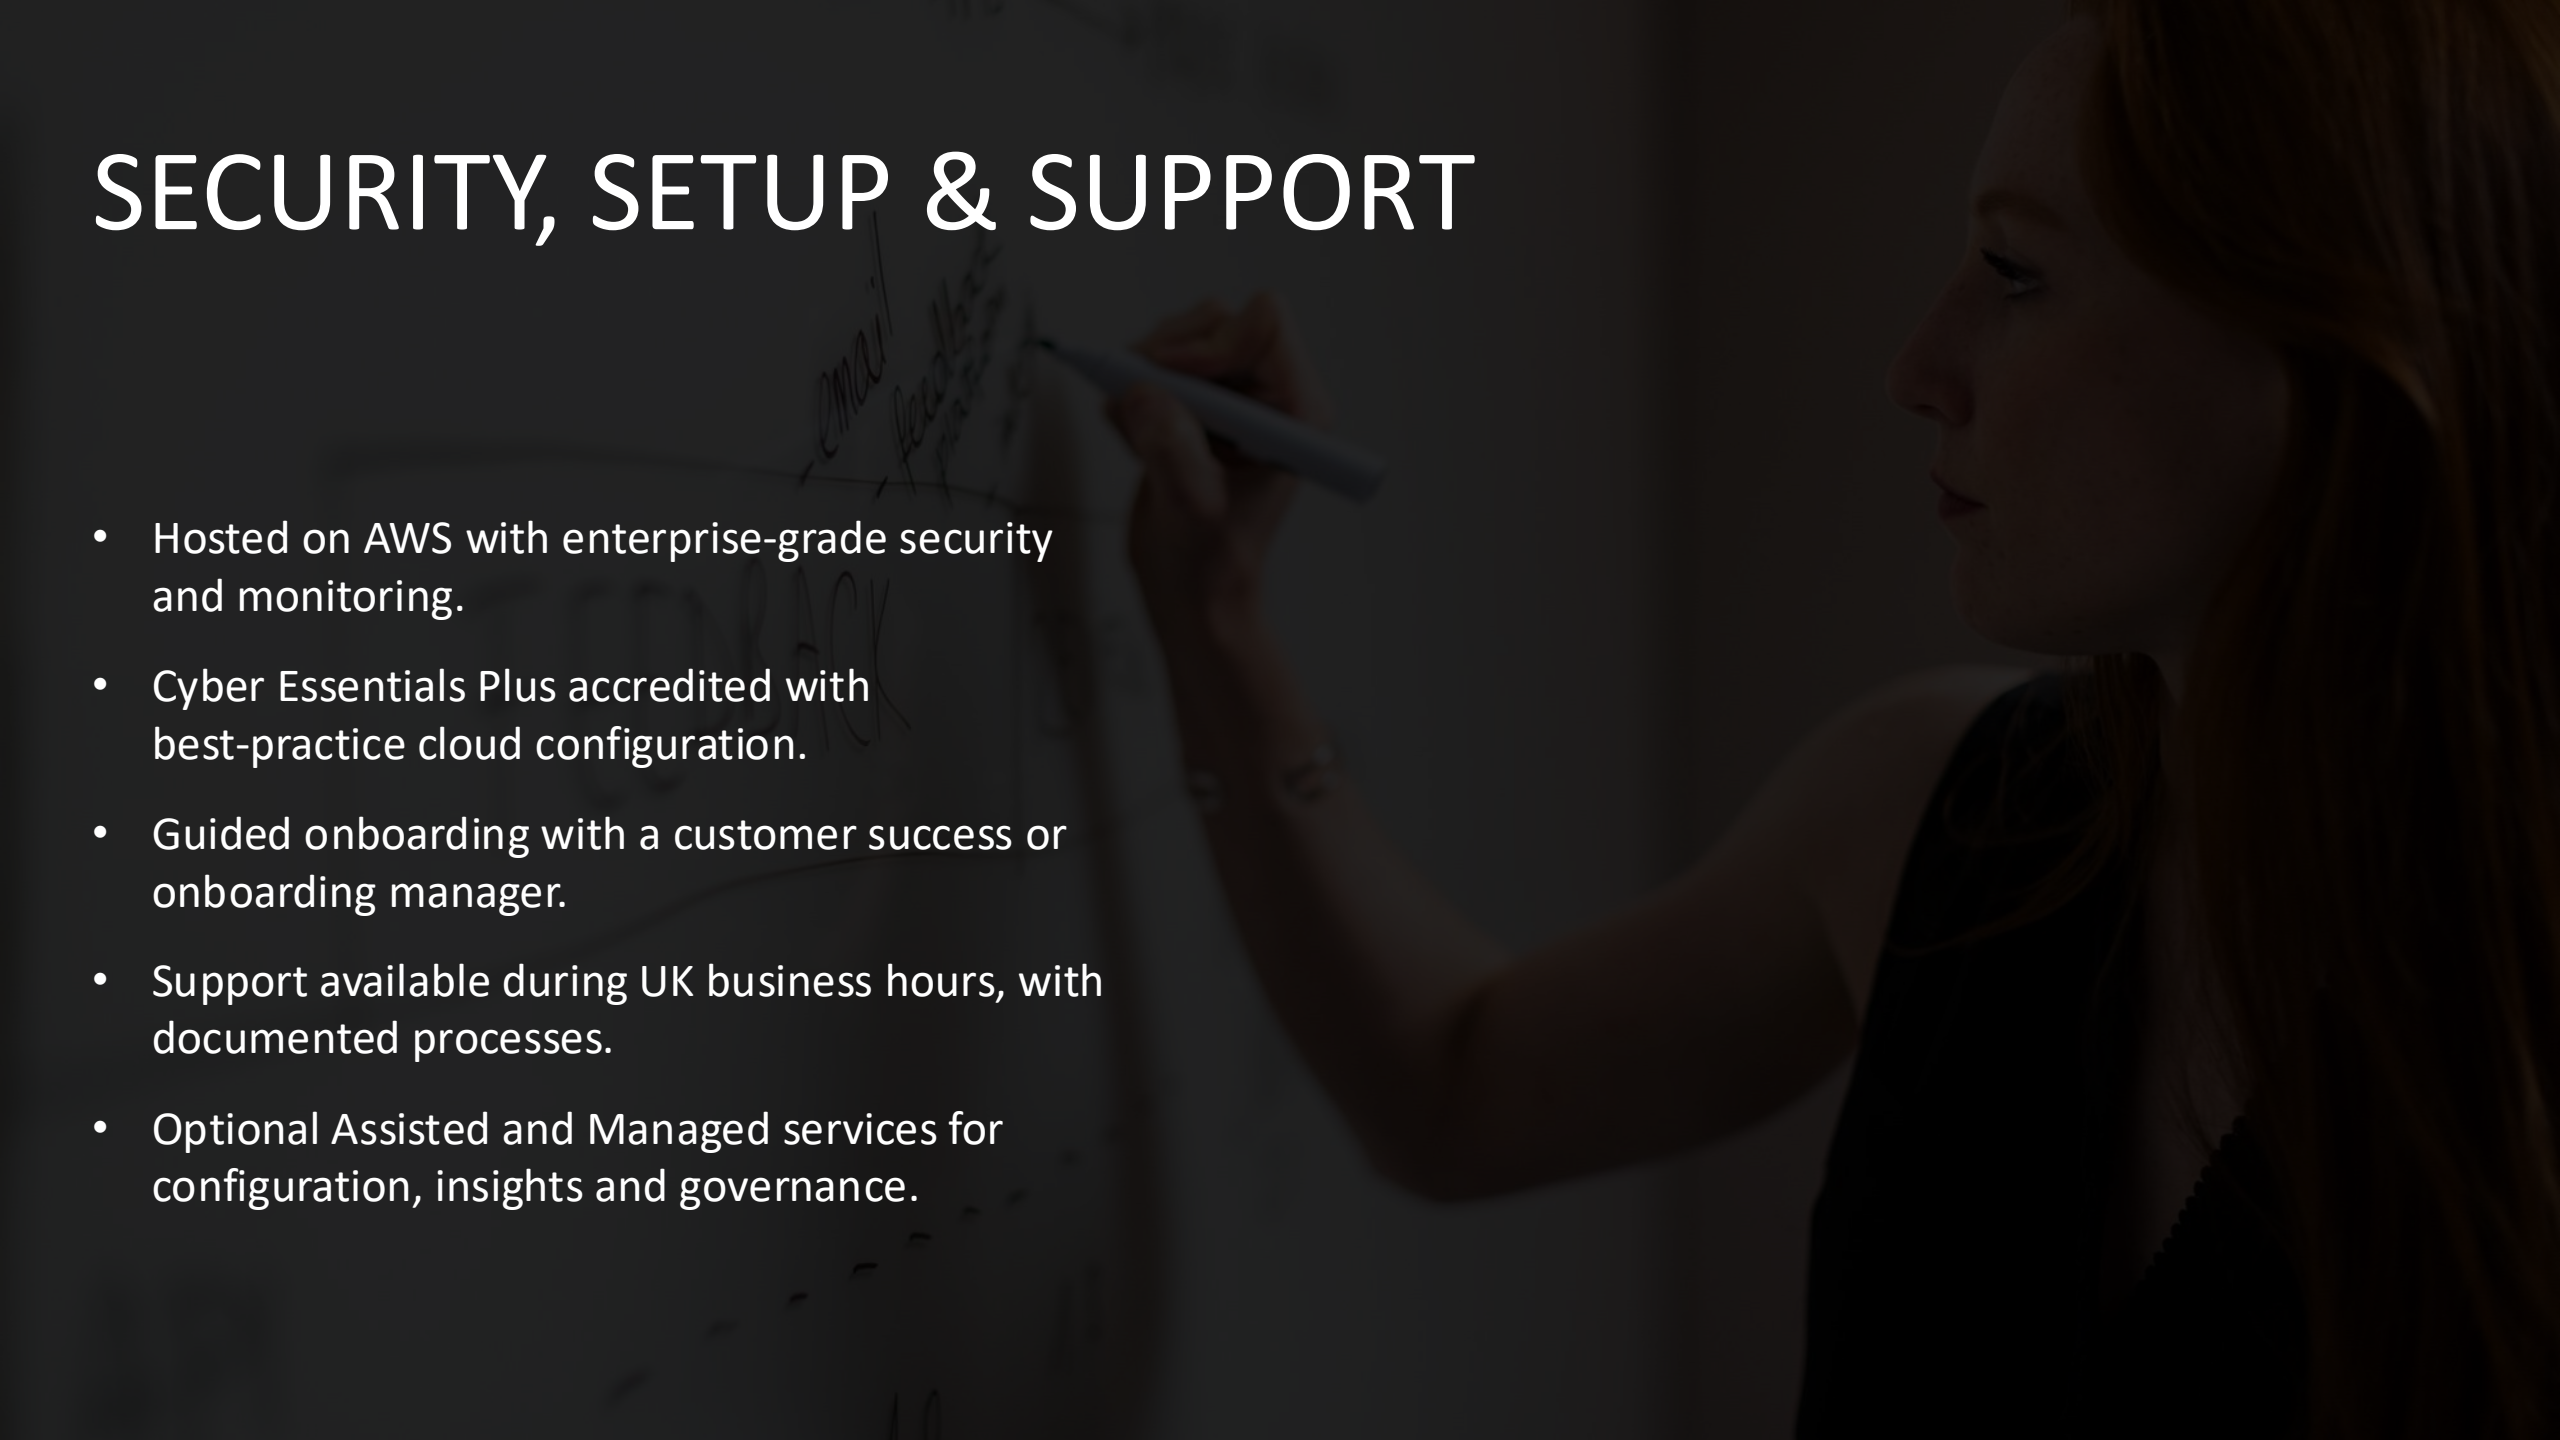

FEATURES:

- Self service, customisable reports such as digital strategies, consultant reports and high-level designs.
- 1000+ best-practice assessment questions (ITIL, COBIT, security) to enable digital maturity self-assessment.
- Customisable stakeholder surveys and satisfaction assessments.
- AI summarised reports and data, reducing effort.
- Self-serve dashboards with prebuilt charts.
- Auto-generate EA landscapes via integrated whiteboard.
- Secure API integrations and CSV data uploads.
- Automated risk and issue consolidation.
- Cloud-hosted SaaS, Cyber Essentials Plus accredited.

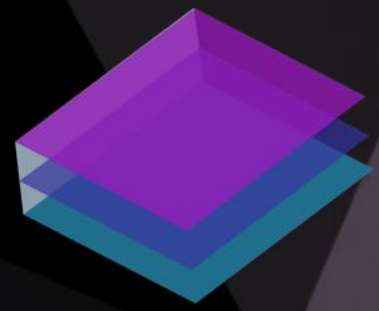

BENEFITS:

- Reduce audit effort and consultancy overhead.
- Make assured decisions backed by real evidence.
- Identify capability gaps and service imbalances.
- Optimise IT spend by spotting overlap.
- Strengthen business–IT relationships.
- Preserve institutional knowledge.
- Accelerate time to insight and action.
- Surface risks early and drive improvements.
- Enable self-serve governance at scale.

SECURITY, SETUP & SUPPORT

- Hosted on AWS with enterprise-grade security and monitoring.
- Cyber Essentials Plus accredited with best-practice cloud configuration.
- Guided onboarding with a customer success or onboarding manager.
- Support available during UK business hours, with documented processes.
- Optional Assisted and Managed services for configuration, insights and governance.
