

Efficio Resource Augmentation as a Service

LOT 3: CLOUD SUPPORT

JANUARY 2026

Service Description

Efficio bridges short-term capability gaps, accelerating e-procurement amidst changing demands. Commercial surge, project procurements, tool introduction, staff changes, contract management. Immediate access to sector expertise, network capabilities, and managed services empower your e-procurement, supported by cloud tools. We also facilitate knowledge transfer, enhancing capacity with SME knowledge.

Features

- Tailored solutions for short-term capability deficiencies
- Rapid response to project demands, crises, mergers, or staff turnover
- Access to expertise across categories, sectors, and extended network
- Consultancy or managed procurement services tailored to organisational needs
- Interim management solutions provided up to CPO level
- Organisation alignment for strategic procurement agility and long-term benefits
- Immediate access to broad experience, tools, and superior processing
- Linkage to deeper strategic sourcing and target operating model initiatives
- Outcome-focused approach addressing analytical and strategic procurement requirements
- Knowledge and insight transfer for empowered procurement teams and objectives

Benefits

- Resource capacity augmentation bridges gaps and maintains delivery pace
- Capability augmentation embeds skills through knowledge transfer and coaching
- Procurement orchestration strengthened through experienced surge delivery teams
- Sourcing and contract management support protects critical timelines
- Commercial management strengthened through practical governance and controls
- Opportunity identification accelerated through expert analysis and experience
- Digital/AI tooling support improves speed and reporting consistency
- Value delivery improved through continuity during organisational change
- Transformation supported through flexible support and adoption focus
- Commercial assurance strengthened through experienced oversight and reviews

Why Efficio?

Efficio is the world's largest international procurement service provider with an unrivalled track record of delivering significant results for our client base.

For more than two decades, our deep expertise, hands-on approach, global scale, and ever-evolving technology have helped our clients realise their supply chain and procurement ambitions. We have developed purposefully as specialists, achieving consistent rapid growth to become the largest independent consultants in our field.

We combine the human intelligence and deep expertise of our consultants with the data and content gleaned from our years of specialist focus. So, whether it's setting you up for procurement excellence, solving supply chain challenges, or optimising costs - from cost reduction to working capital management - we work alongside you to navigate the ups and downs of the procurement and supply chain landscape.

We work across all industries including Public Sector, Healthcare and NHS, Defence, Construction and Infrastructure, Energy and Utilities, Financial Services, Private Equity, Manufacturing, and Technology. Our talent pool of >1400 procurement specialists include 750+ specialists with deep experience in PCR 2015, DSPCR, and Procurement Act 2023 environments. We deploy SC-cleared resource, comply with Cabinet Office standards (Sourcing Playbook, Green Book, Delivery Model Assessments), and work across departments including the Home Office, NHS England, AWE, FCDO Services, UKHSA, and CCS.

We have extensive expertise in procurement, category management, supply chain, change implementation, programme management & project delivery. We provide clients with data analytics, reporting and operational data management, transferring knowledge and supporting the recruitment, onboarding and upskilling of client teams, including use of our training academy.

Efficio's deep experience in regulated, high-security, and public sector environments means we understand how to deliver value within the constraints of public procurement legislation - including PCR 2015, DSPCR, and the Procurement Act 2023. We help clients challenge suppliers constructively while ensuring compliance, transparency, and strong commercial outcomes.
