Why Avineon Tensing?

Avineon Tensing (Avineon Europe Ltd) specialises in data orchestration and integration, location information and Geographic Information Systems. Our consultants use the most distinctive and innovative technology platforms available in this field.

Avineon Tensing is part of the Avineon group of spatial intelligence experts, with offices in Europe, North America and Asia. With over 30 years of geospatial data management experience providing services and solutions in data integration, data quality, data interoperability, data analytics, data usage and data visualisation.

At Avineon Tensing we value certification and as a result, we are highly accredited within the industry:

- Avineon Tensing is one of only approximately 10 Safe Software Managed Service Provider (MSP) Partners globally. This elite status demonstrates our deep expertise in managing and supporting FME Flow Hosted environments for enterprise customers.
- Avineon Tensing is an Esri Partner Network Member with over 50 certified Esri consultants, with expertise in ArcGIS Online, ArcGIS Enterprise and spatial data management.
- Avineon Tensing is a Safe Software Value Added Reseller partner and provides FME consultancy as well as FME software, associated first-line technical support and FME training.
- We have more certified FME trainers than any other UK provider.
