

Pricing structure: 2026

The price for our Stakeholder Engagement platform subscription is determined by:

- Number of users
- One-time fee for onboarding and system configuration
- Additional modules or functionalities (add-ons)
- One time service fee for configuration of add-ons (if selected)

Stakeholder engagement platform

Ranges from: £16,508 to £90,576

depending on the number of users.

Price per users: £1,510 to £3,302
