

MINDERA Public Sector

Pricing Model for G-Cloud 15

Effective Date from 31st January 2026

OVERVIEW OF PRICING DOCUMENT

At Mindera, we aim to provide clear and transparent pricing for our clients.

A simplified table with seven columns across eight domains gives an easy-to-read overview, helping buyers quickly understand costs and make informed decisions.

Rates are aligned to **SFIA levels** and represent blended day rates per role within each service domain.

Specific roles and responsibilities are agreed at call-off

Change and Transformation	£592	£761	£956	£1142	£1709	£2020	£2357
Development and Implementation	£592	£761	£1022	£1163	£1487	£1966	£2357
Delivery and Operation	£592	£664	£761	£1175	£1377	£1579	£2357
Skills and Quality	£592	£664	£761	£1175	£1377	£1579	£2357
Relationship and Engagement	£592	£664	£761	£1390	£2020	£2020	£2357

Payment Terms & Pricing - Our services listed on G Cloud 15 may be procured on a time and materials basis based on the SFIA Rate Card, with billing monthly in arrears based on actual utilisation.

Our fees are invoiced 30 days in arrears. Payment terms are 30 days net of receipt of invoice.

Costs - All costs are in GBP (£) and are plus VAT, at the prevailing rate

Consultant's working day - 8 hours exclusive of travel and lunch

Working week - Monday to Friday excluding national holidays

Office hours - 9:00am to 5:00pm Monday to Friday

Travel, mileage and subsistence - Agreed travel outside of Mindera Office locations payable at the department's standard travel and subsistence rates.

Professional indemnity Insurance - Included in day rate.

At Mindera, we are more than just a global tech company.

We are a bunch of geeks, all 1,250 of us, who are innovative thinkers, problem solvers and application developers grounded by our sense of community..

Founded in 2014, our roots are deeply embedded in the passion for technology, the belief in the power of collaboration and to give back to society.

Today, we have a global presence in over 10 countries. Some clients like us on site, some want our best people across the world, and others seek the most affordable option. As such a hybrid approach is common, offering a balance of industry expertise, close collaboration and cost efficiency.

Constant technology evolution keeps us busy particularly in the UK Public Sector technology requirements, social value and ethics as we build in stronger security, focus on assurance by design, embed greater accessibility with a significant focus on giving back to the community.

Plus, from a technology perspective, we build more 'outcome driven' solutions maximising public benefit in line with the 2023 Procurement Act.

We stand as a beacon of technical excellence in the technology, software engineering and consultancy landscape.

Our journey began with a simple yet powerful idea: to create a space where collaboration, a people-first approach and self-organisation are not just encouraged but are the very foundations of how we operate.

This ethos has allowed us to not only build a strong internal culture, but also to foster lasting relationships with our clients.

At Mindera, every project is a shared endeavour; where the whole team takes ownership, ensuring that we're not just service providers but true partners in our clients' success.

As a Crown Commercial Services (CCS) approved supplier we extend this expertise and experience to our Public Sector buyers.

This service can be delivered as a standalone engagement or combined with other Mindera services available under G-Cloud Lot 2b and Lot 3.

Associated services support public sector organisations across the full cloud lifecycle, from planning and assurance through to implementation, optimisation, and ongoing operational support, enabling secure, resilient, and high-performing cloud solutions.

Contact us:

Please contact us if you would like to learn more about this service or any of our listings on G-Cloud, Technology Services 4, or Digital Outcomes 6. Please email paul.brown@mindera.com

As all enquiries are initially handled through a single point of contact, please include your name, organisation, contact details, and the service you require support with.

Further information about our service capabilities is available on our website at www.mindera.com or on our blog at www.mindera.com/blog
