G-Cloud 15 Terms & Conditions

Statement as to the precedence to the framework call off terms

Mindera uses the standard Call-off Terms as detailed in the G-Cloud 15 Framework Call-off Contract. Any special terms shall be detailed in the Order Form as agreed between the buying organisation and ourselves.

Our services are priced based on the SFIA definitions and rate card. Our rates, based on pricing for consultants/personnel providing services to our customers in an onshore/offshore model.

At Mindera, we are more than just a global tech company.

We are a bunch of geeks, all 1,300 of us, who are innovative thinkers, problem solvers and application developers grounded by our sense of community..

Founded in 2014, our roots are deeply embedded in the passion for technology, the belief in the power of collaboration and to give back to society.

Today, we have a global presence in over 10 countries. Some clients like us on site, some want our best people across the world, and others seek the most affordable option. As such a hybrid approach is common, offering a balance of industry expertise, close collaboration and cost efficiency.

Constant technology evolution keeps us busy particularly in the UK Public Sector technology requirements, social value and ethics as we build in stronger security, focus on assurance by design, embed greater accessibility with a significant focus on giving back to the community.

Plus, from a technology perspective, we build more 'outcome driven' solutions maximising public benefit in line with the 2023 Procurement Act.

We stand as a beacon of technical excellence in the technology, software engineering and consultancy landscape.

Our journey began with a simple yet powerful idea: to create a space where collaboration, a people-first approach and self-organisation are not just encouraged but are the very foundations of how we operate.

This ethos has allowed us to not only build a strong internal culture, but also to foster lasting relationships with our clients.

At Mindera, every project is a shared endeavour; where the whole team takes ownership, ensuring that we're not just service providers but true partners in our clients' success.

As a Crown Commercial Services (CCS) approved supplier we extend this expertise and experience to our Public Sector buyers.
