\ 01
Service Overview

# SBOMs for Enterprise

**Technical consultancy delivered by Frontier experts.**

Know exactly what is in your software.

Frontier provides this specialist consultancy to help you generate, manage and operate SBOMs (Software Bill of Materials) at Enterprise-scale. Using the Sonatype Platform – we ensure you meet NCSC and international standards for software transparency.

\ 07
Security & Accreditations

# We know our stuff

Frontier is committed to the highest standards of security in the Public Sector. All our consultants are UK-based and hold BPSS clearance as a minimum (SC cleared consultants are available upon request).

We operate entirely within your secure environment. No client data leaves your sovereignty.

We align with Cyber Essentials Plus and ISO-27001 standards.

## Who we are
Engineering philosophy

# Operate predictably. Innovate safely.

It's not just a tagline, it's our engineering philosophy.
It influences everything we do.

© Frontier 2026

## Solid foundations

At the core of our engineering philosophy lies a commitment to building solid foundations.

© Frontier 2024

## Operate predictably

Operate predictably, as an integral facet, represents our pursuit to enable trust and confidence in technology.

© Frontier 2024

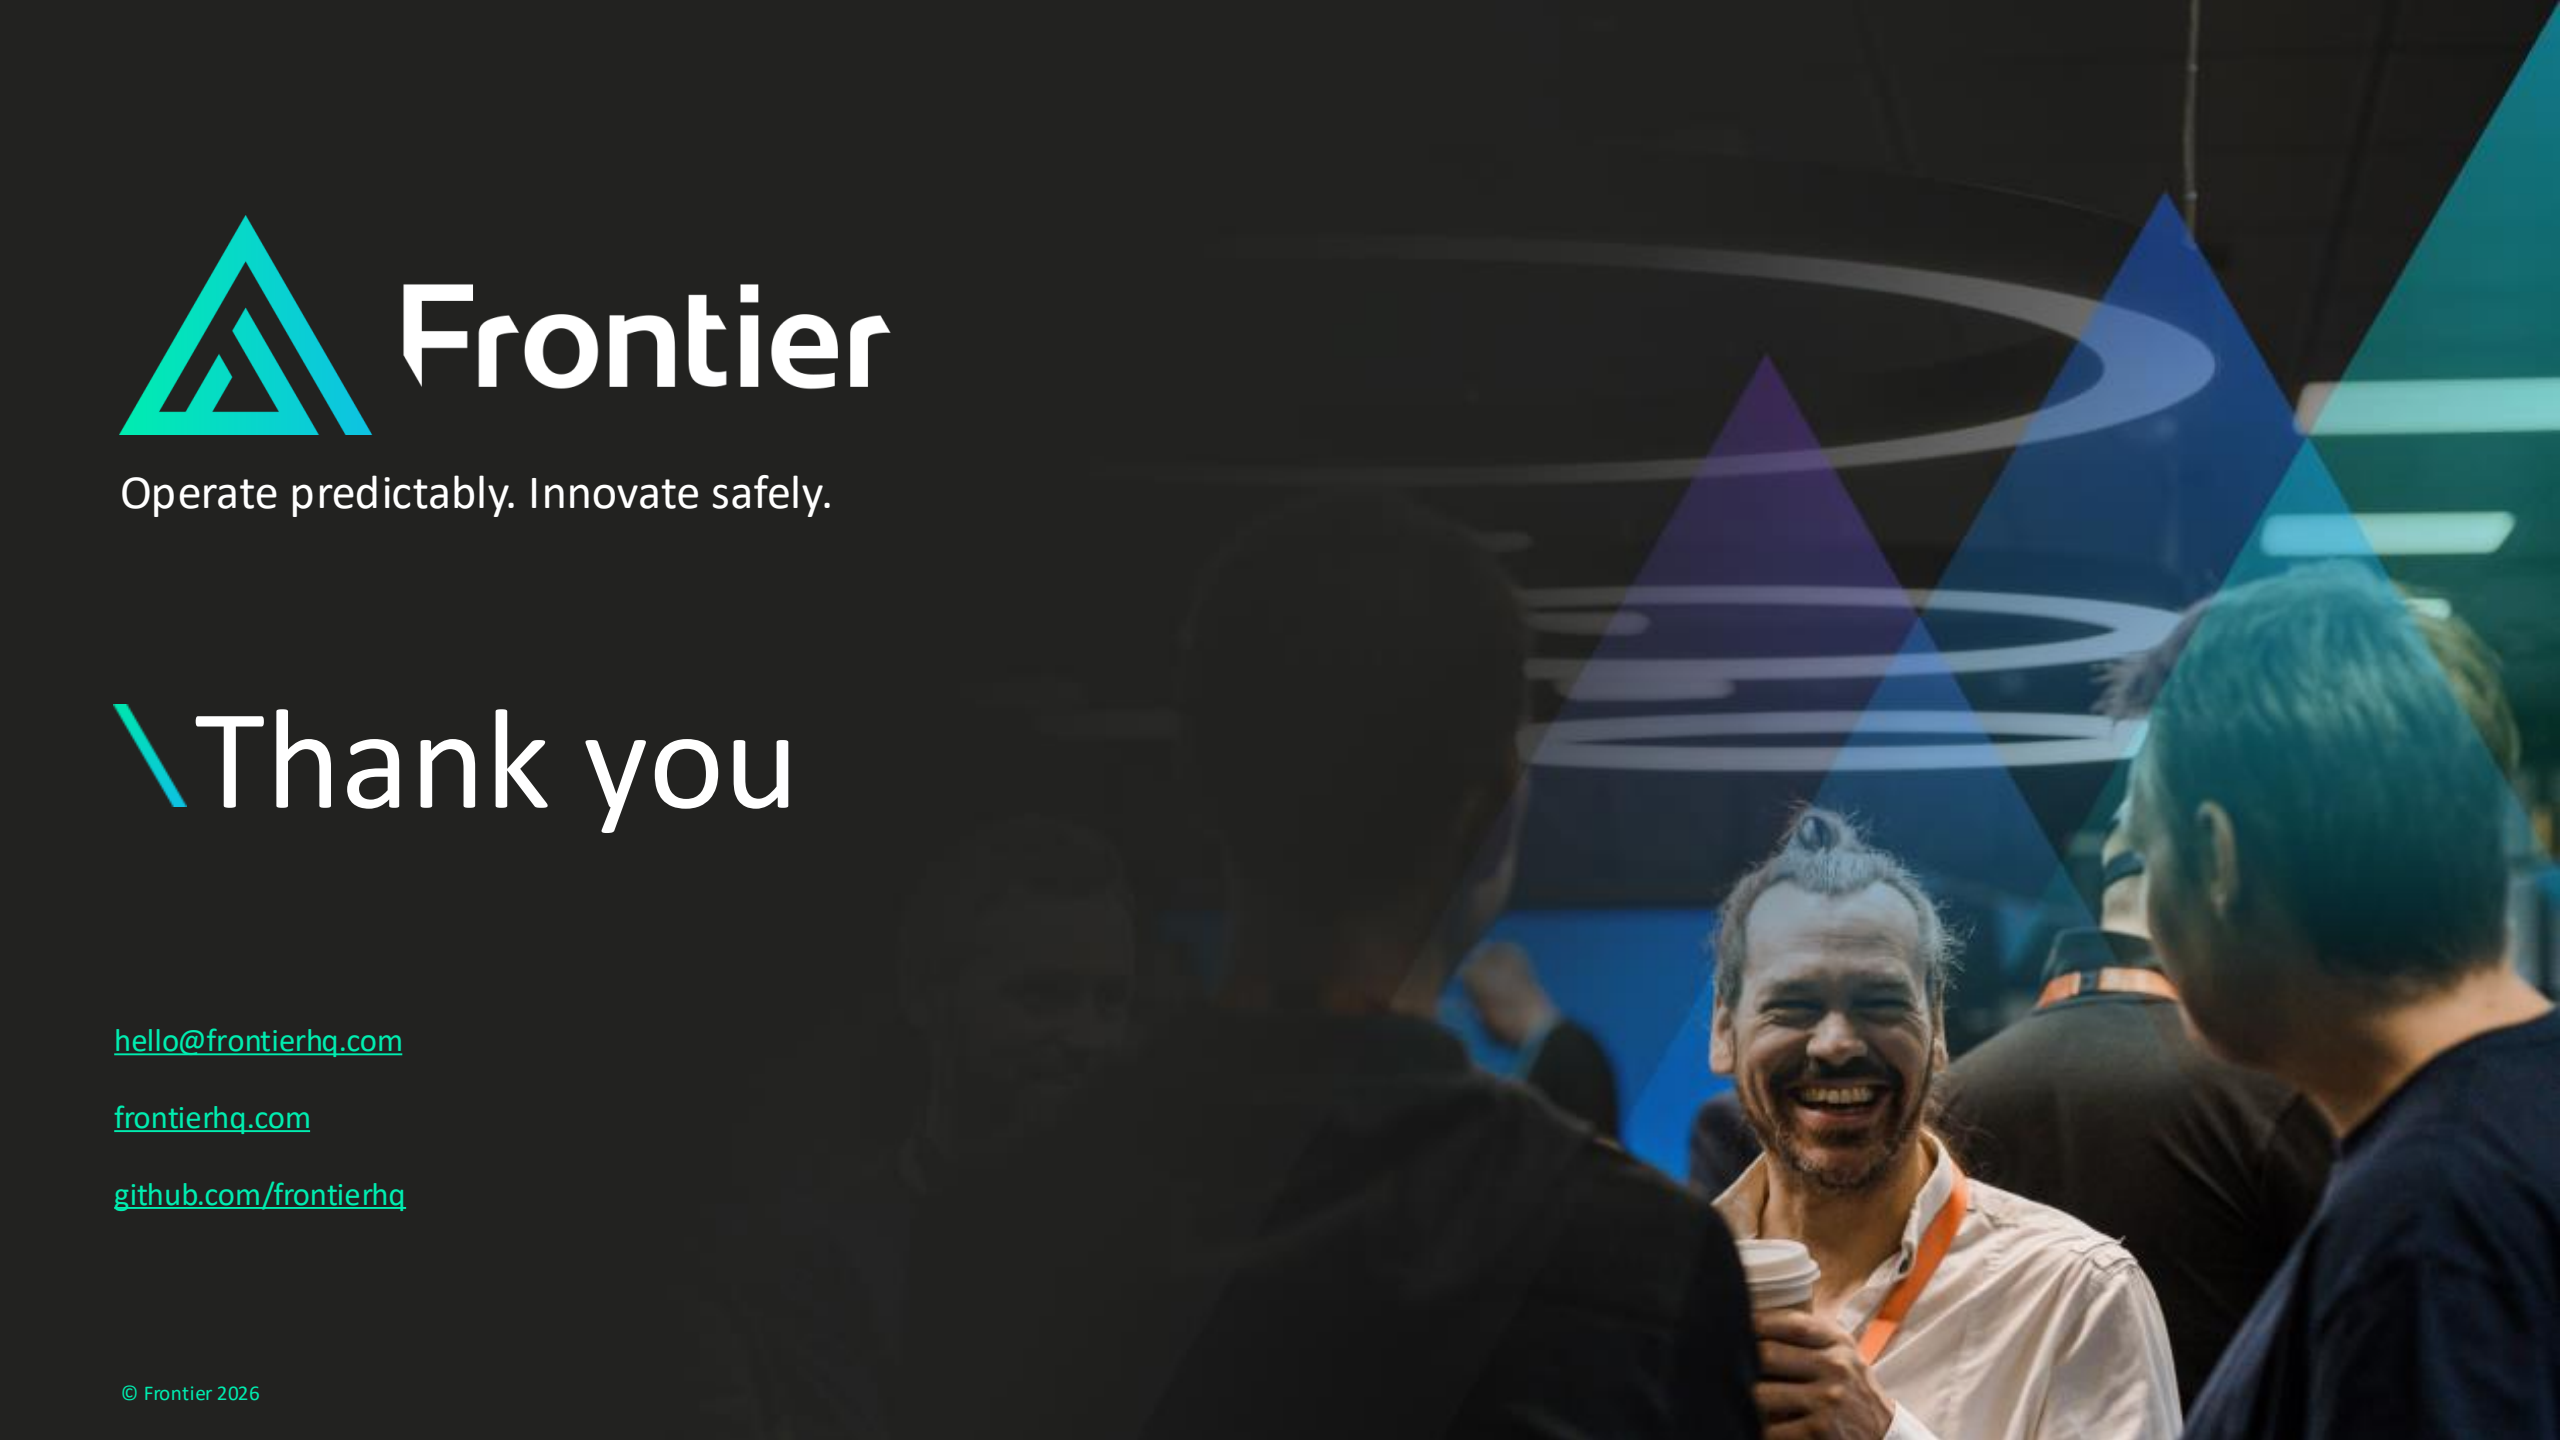

## Innovate safely

Innovate safely, as a leading edge, represents our resolve to ensure safe exploration and advancement.

© Frontier 2024
