5. Notes

¹ The above costs are the unit rates only and not the total cost for each service line (although the minimum number of days has been provided for reference purposes). The total cost of the system delivered as a service is determined by the scale of the deployment, the number of users and the options required.

² The unit price quoted for each module is subject to a scaled discount that will be applied to organisations with multiple locations as follows:

- 21-50 locations: 5%
- 51-100 locations: 10%
- 101-500 locations: 20%
- 501-1,000 locations: 30%
- 1,001-5,000 locations: 40%
- 5,001+ locations: 50%
