

Accent Leave Manager – Workforce and training management system G Cloud 15

Price List 2026

1. Introduction

A description of the product and services provided are included in the accompanying Service Definition for Accent.

The solution scales to the size of your workforce with each band allowing a maximum number of administrator users and self-service (applicant) records (including archive and forward plan) within the bands shown below:

Note that these limits can be increased for additional cost.

2. Organisation size

Select your organisation size:

Band	Personnel record count (limit)	Administrator count
Small	1,000	10
Medium	10,000	100
Large	50,000	1,000
Enterprise	100,000	5,000

3. Component cost

Note that this is the annual price for the system. The number of administrator or self-service users can be increased for each band at an additional cost (see 'Additional administrator licences' or 'Additional self-service licences' under section 5).

Accent is provided under licence for the prices (excluding VAT) listed in the tables below.

4. License, hosting and commissioning
