1. Introduction

More information on the features of the Bizzdesign Hopex platform can be found within the accompanying service definition document. Please contact us to request a demonstration or trial.

1.1. Pricing Approach

Hopex pricing is based upon named user licenses + a platform license fee.

A: User Packs

We offer three user license types (described in Section 2.1):

- Pro (also known as Main) with 4 varieties:
 - Pro-EA
 - Pro-BPA
 - Pro-GRC
 - Pro-Data
- Contribute
- View

We offer User Packs, reflecting different mixes/volumes of the above license types. Multiple User Packs can be purchased.

Select the appropriate user pack from Section 2.

B: Platform Packs

Platform pricing is tiered based upon any additional platform features the Buyer requires (described in Section 3.1).

We offer Platform Packs, with different blends of platform features. Select the appropriate platform pack from Section 3.

C: Support and Services

Standard support is included.

Optional services (support and training) are also available.

Select the appropriate Services from Section 4.

Overall price

To calculate the overall price, add together **A + B + C**.

1.2. Pricing Conditions

- Prices indicated are for an annual SaaS subscription.
- Pricing includes Annual Maintenance & Support.
- All prices quoted are £ GBP and exclude VAT.
- Payments terms are annual in advance.
