

G-Cloud 15 pricing

HAF, SEND and Wraparound booking and data solution for councils

Pricing model

Our pricing is based on the overall grant funding (HAF) or total budget or funding for the council programme, as this provides the fairest reflection of the software resources and Eequ support required.

TIER 1

HAF grant or programme budget:

up to £1,199,999

Rate: 1.75% of budget

TIER 2

HAF grant or programme budget:

£1,200,000 – £2,100,000

Rate: £21,000/year

TIER 3

HAF grant or programme budget:

£2,100,001 and above

Rate: 1.00% of budget

Programme budget definition

For HAF programmes this is your grant total*.

For other programmes this includes:

- Council staffing costs
- Administration and coordination
- External provider funding
- In-house delivery costs such as venues or equipment

Exclusions

Not included in standard pricing:

- Bespoke development
- On-site consultancy
- Out-of-hours support

* For HAF programmes, your HAF grant total is your Local Authority Capacity Grant, and your HAF Programme Administration funding combined.
