Additional Information:

- **PRICE PLANS:**
 - The figure quoted is the total monthly amount due when paying monthly.
 - It is also possible to pay annually, upon request.
- **BUNDLE LIMIT:** The maximum number of live bundles available on a plan.
- **FEATURE ACCESS:** All plans have access to Bundledocs full feature set. This includes access to all functionality, integrations, and our open API.
- **UNLIMITED DOWNLOADS:** With unlimited downloads, users can download the completed bundle as many times as required. This is great if any last minute changes are required.
- **SOFTWARE UPDATES:** Software updates are conducted automatically and at no extra charge.
- **BILLING:** All prices quoted are exclusive of VAT.
- **INTEGRATION CONNECTORS:** All Bundledocs integration connectors are available free of charge. This includes the provision of the connectors for all users, access to all integration partner setup material and setup support from our technical team.
- **SUPPORT:** Telephone and Online Chat support is available during opening hours. Onsite support is also available upon request and additional charges apply.
- **NO HOSTING FEES:** There are no additional fees or charges for hosting or storage of your data.
- **NO CANCELLATION FEES:** With Bundledocs there is no minimum notice period and no termination fees. Cancel at any time directly within your account.
- **FREE TRIAL:** Bundledocs offers a free 30-day trial. During this time, you will have access to Bundledocs complete range of features and can fully test Bundledocs to see if it meets your needs and requirements.
