Licence Structure

Each organisation requires 1 licence per year to access and use the MIMS application.

Annual Licence Fee (Standard Service)

The annual licence fee for MIMS (standard service configuration) is £14,900 plus VAT.

Optional Configuration and Enhancements

Add-on	Unit	Price (ex VAT)
Additional dashboard / reporting view	One-off	£1200
Configuration of workflows or rules	One-off	£1800
Integration with external system (standard connector)	One-off	£2500
Exercise / training environment setup	One-off	£1500
Data import or initial data configuration	One-off	£2000

Add-ons are optional and delivered using existing MIMS platform capabilities.

They do not include bespoke software development or creation of new core product functionality.

Payment Terms

Licence fees are payable annually in advance.

All prices are exclusive of VAT, which will be charged at the prevailing rate.

Any agreed configuration or enhancement costs will be invoiced separately upon completion of the work.
