

Cohorts (G-Cloud Edition)

Pricing

Studybugs Cohorts (G-Cloud Edition) is available for a simple all-inclusive annual fee based on the total number of children in your LA, estimated for the coming year.

Children in LA	Annual Licence Fee (2026)
Up to 30,000	£25,000
Up to 60,000	£35,000
Up to 100,000	£45,000
Up to 200,000	£55,000
200,000+	£65,000

An adjustment for inflation will be applied based on the time elapsed between 1 September 2026 and the start of the licence term, based on the most recent RPI rates published by the ONS at that time.

Fees are in GBP and exclude VAT which will be charged at the prevailing rate.

What's included?

The fee is all-inclusive – you get coverage of every child in your LA (including live connections to schools), setup, support, training, updates, and access to our online portal for an unlimited number of LA users.

What discounts are available?

A 5% discount is available if you take out a two-year licence. For a three-year licence the discount is 10%.

Discounts are also available when purchasing alongside other Studybugs products (for example Studybugs Cohorts for Virtual Schools and Studybugs AP Manager).
