

A background photograph of three people in a modern office setting. On the left, a man with a beard and a red and black plaid shirt is smiling and looking towards the right. In the center, a woman with glasses and long hair is smiling and looking towards the right. On the right, a man with curly hair and glasses is resting his chin on his hand, looking towards the left. The image is overlaid with large, semi-transparent geometric shapes: a red triangle pointing downwards and a yellow triangle pointing upwards, both originating from the right side of the frame.

About Marra

Marra is a tech consultancy focused on Microsoft Power Platform.

We bring together expert tech professionals and Power Platform developers to create exceptional digital solutions and make technology accessible to everyone.

Our talented team—developers, analysts, testers, and designers—works together to solve your biggest business challenges and deliver user-friendly results.

We champion making technology usable for all, with user experience and inclusivity at the forefront.

The values that drive us

Bring the Expertise

We know Power Platform inside out and we love sharing what we know. Our curious minds never stop learning.

Empower Others

Our people have the tools, trust, and freedom to deliver. We bring clarity that helps our customers succeed.

Lead with Trust

We're honest, transparent, and have each other's backs. That's how we build relationships that last.

Work Together

We build solutions with our customers, not just for them — breaking barriers and pushing for real, lasting impact.

Champion Inclusion

We believe tech should include everyone. We build accessible solutions and a culture where all belong.

Build Resilience

We face challenges head-on, lead with positivity, and always keep moving forward, together.

Thank You!
