

The background image shows three people in a modern office setting. On the left, a man with a beard and a red and black plaid shirt is smiling and looking towards the right. In the center, a woman with glasses is smiling and looking towards the right. On the right, a man with glasses and a beard is resting his chin on his hand, looking towards the left. The image is overlaid with large, semi-transparent geometric shapes: a red triangle pointing downwards from the top right, a teal triangle pointing upwards from the bottom left, and a yellow triangle pointing downwards from the top right. The text 'G-Cloud 15 Marra' is in the top left, and 'Centre of Excellence' is in the center left. The Marra logo is in the bottom left, and the Microsoft logo is in the bottom right.

Centre of Excellence

Centre of Excellence Service Offering

The CoE Maturity Assessment provides a clear, evidence-based understanding of how well your organisation is set up to scale Power Platform effectively, and what is needed to progress with confidence

Benefits

Clients benefit from:

- Comprehensive assessment across eight CoE themes revealing strengths and gaps.
- Four assessment options tailored to your organisational needs.
- Fully tailored assessment shaped around your context and ambitions.
- Active stakeholder engagement ensuring alignment and shared ownership.
- Clear maturity level with evidence-based insights for decisions.
- Future aspirations defined with pathways and targeted Marra support.
- Actionable recommendations enabling seamless next steps and capability uplift.

Features

Features of the CoE Maturity Assessment package include:

- Engagement workshops strengthen collaboration and shared understanding.
- Stakeholder mapping identifies impacted areas, roles, and departments.
- Define the most appropriate Maturity Assessment approach.
- Agree assessment method aligned to organisational operations.
- Identify challenges, constraints, and problem statements.
- End to end Maturity Assessment delivered with your stakeholders.
- Clear visual outputs and assets for wider business use.
- Playback of findings, insights, and recommendations to stakeholders.

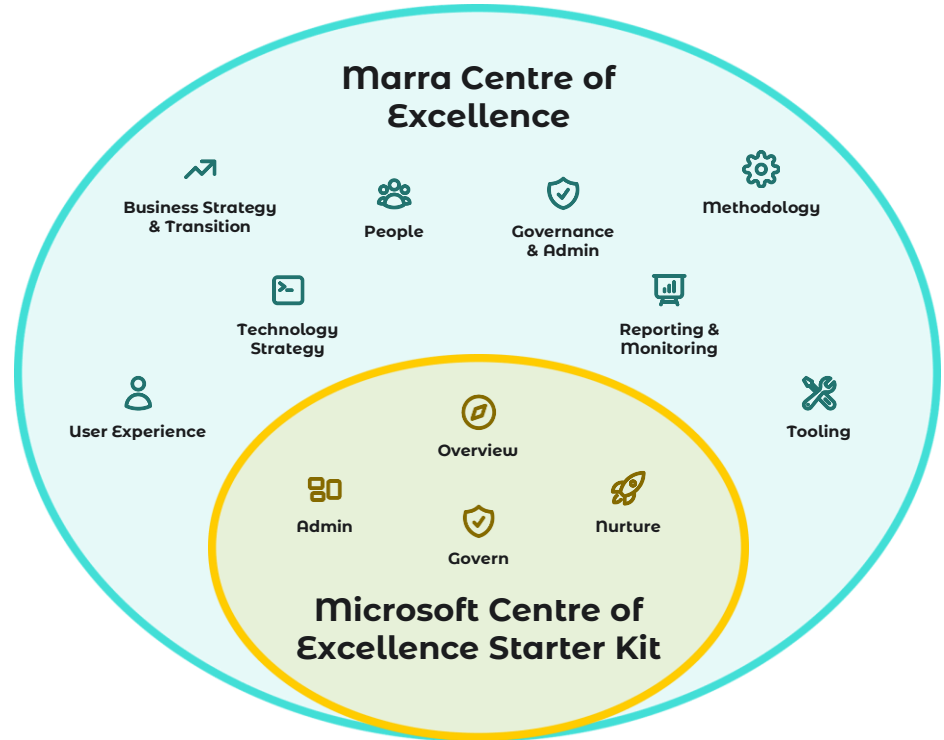

Wider Service Offerings:

Marra can provide guidance on introducing additional packages for other Power Platform components if required (Power BI, Power Automate, Power Pages and CoE).

Supporting the Microsoft CoE Starter Kit

Marra's Centre of Excellence (CoE) enhances Microsoft's CoE Starter Kit by offering tailored implementation support, maturity assessments, and governance frameworks.

It helps organisations accelerate adoption, balance innovation with control, and evolve their Power Platform capabilities through expert-led services and structured roadmaps.

About Marra

Marra is a tech consultancy focused on Microsoft Power Platform.

We bring together expert tech professionals and Power Platform developers to create exceptional digital solutions and make technology accessible to everyone.

Our talented team—developers, analysts, testers, and designers—works together to solve your biggest business challenges and deliver user-friendly results.

We champion making technology usable for all, with user experience and inclusivity at the forefront.

The values that drive us

Bring the Expertise

We know Power Platform inside out and we love sharing what we know. Our curious minds never stop learning.

Empower Others

Our people have the tools, trust, and freedom to deliver. We bring clarity that helps our customers succeed.

Lead with Trust

We're honest, transparent, and have each other's backs. That's how we build relationships that last.

Work Together

We build solutions with our customers, not just for them — breaking barriers and pushing for real, lasting impact.

Champion Inclusion

We believe tech should include everyone. We build accessible solutions and a culture where all belong.

Build Resilience

We face challenges head-on, lead with positivity, and always keep moving forward, together.

Thank You!
