

# Ozone Health Payment Structure.

The services below are available to commissioners at both Trusts and Integrated Care Systems (including PCNs).

Contracts are on an activity basis only, so you only pay for what you use.

All activity is invoiced monthly in arrears.

## Ozone Health's Simple Payment Structure:

| SERVICES             | NEW REFERRALS | UPDATED REFERRALS |
|----------------------|---------------|-------------------|
| Telemedicine Service | £65.00        | £45.00            |
| Referral Validation  | £65.00        | £45.00            |

## Ozone Health's Care Devices and WebLinks:

| DEVICE                               | COST                |
|--------------------------------------|---------------------|
| Ozone's Webcam                       | Free (one per site) |
| Ozone's "Plug and Play" Dermatoscope | Free (one per site) |
| Ozone's Patient WebLink              | Free (unlimited)    |

- Ozone Health covers all initial set up costs of Webcams, Dermatoscopes and WebLinks, so there is no risk or up-front costs to any commissioners.
