Where referenced, please note that any illustrated pricing scenarios are based on a minimum of 100+ user environments. Please contact us for further information if you have a requirement that sits outside of this guidance. All prices and rates are exclusive of VAT and in GBP.

Pricing Starting from

£21.63 (per user per month)

Setup Costs starting from

£4,995.00

Pricing is an estimate for a minimum of 100 users and includes licences where necessary

About Postremo IT

Postremo IT is a managed service provider (MSP) that has been providing IT solutions to private companies, government organisations, and non-profit organisations since 2014.

We are experts in providing a broad range of managed services and support services that enable our clients in keeping up with the most recent technological trends and resolving IT-related issues. We take great satisfaction in our capacity to comprehend the particular requirements of any organisation and to provide tailored solutions that promote success.

Our vision

Relentlessly drive innovation with Postremo IT's future-oriented solutions, honing in on our Apple and Jamf product expertise. We build powerful, mistake-proof networks that bolster your business strategy. Embrace superior managed support services, where intuitive client-centric solutions are crafted with rapid precision, transcending beyond the conventional customer service norms.

Our mission

At Postremo IT, we craft advanced solutions, driven by evolving strategic themes, that will withstand the test of time. Our mission is to establish powerful solutions, rooted in objective design, that deliver flawless results. We are committed to creating swift and intuitive deliverables, prioritising personalised managed support over broad-scale customer service.
