

G-Cloud 15

Pricing Document

Founded by makers in 2011

Elsewhen is an independent 150 person digital product consultancy established in 2011.

Founded initially to serve big tech, Elsewhen is now a trusted cloud, AI and technology partner to highly complex organisations, including the National Air Traffic Service (NATS), International Air Traffic Service (IATA), Inmarsat, WPP and Spotify.

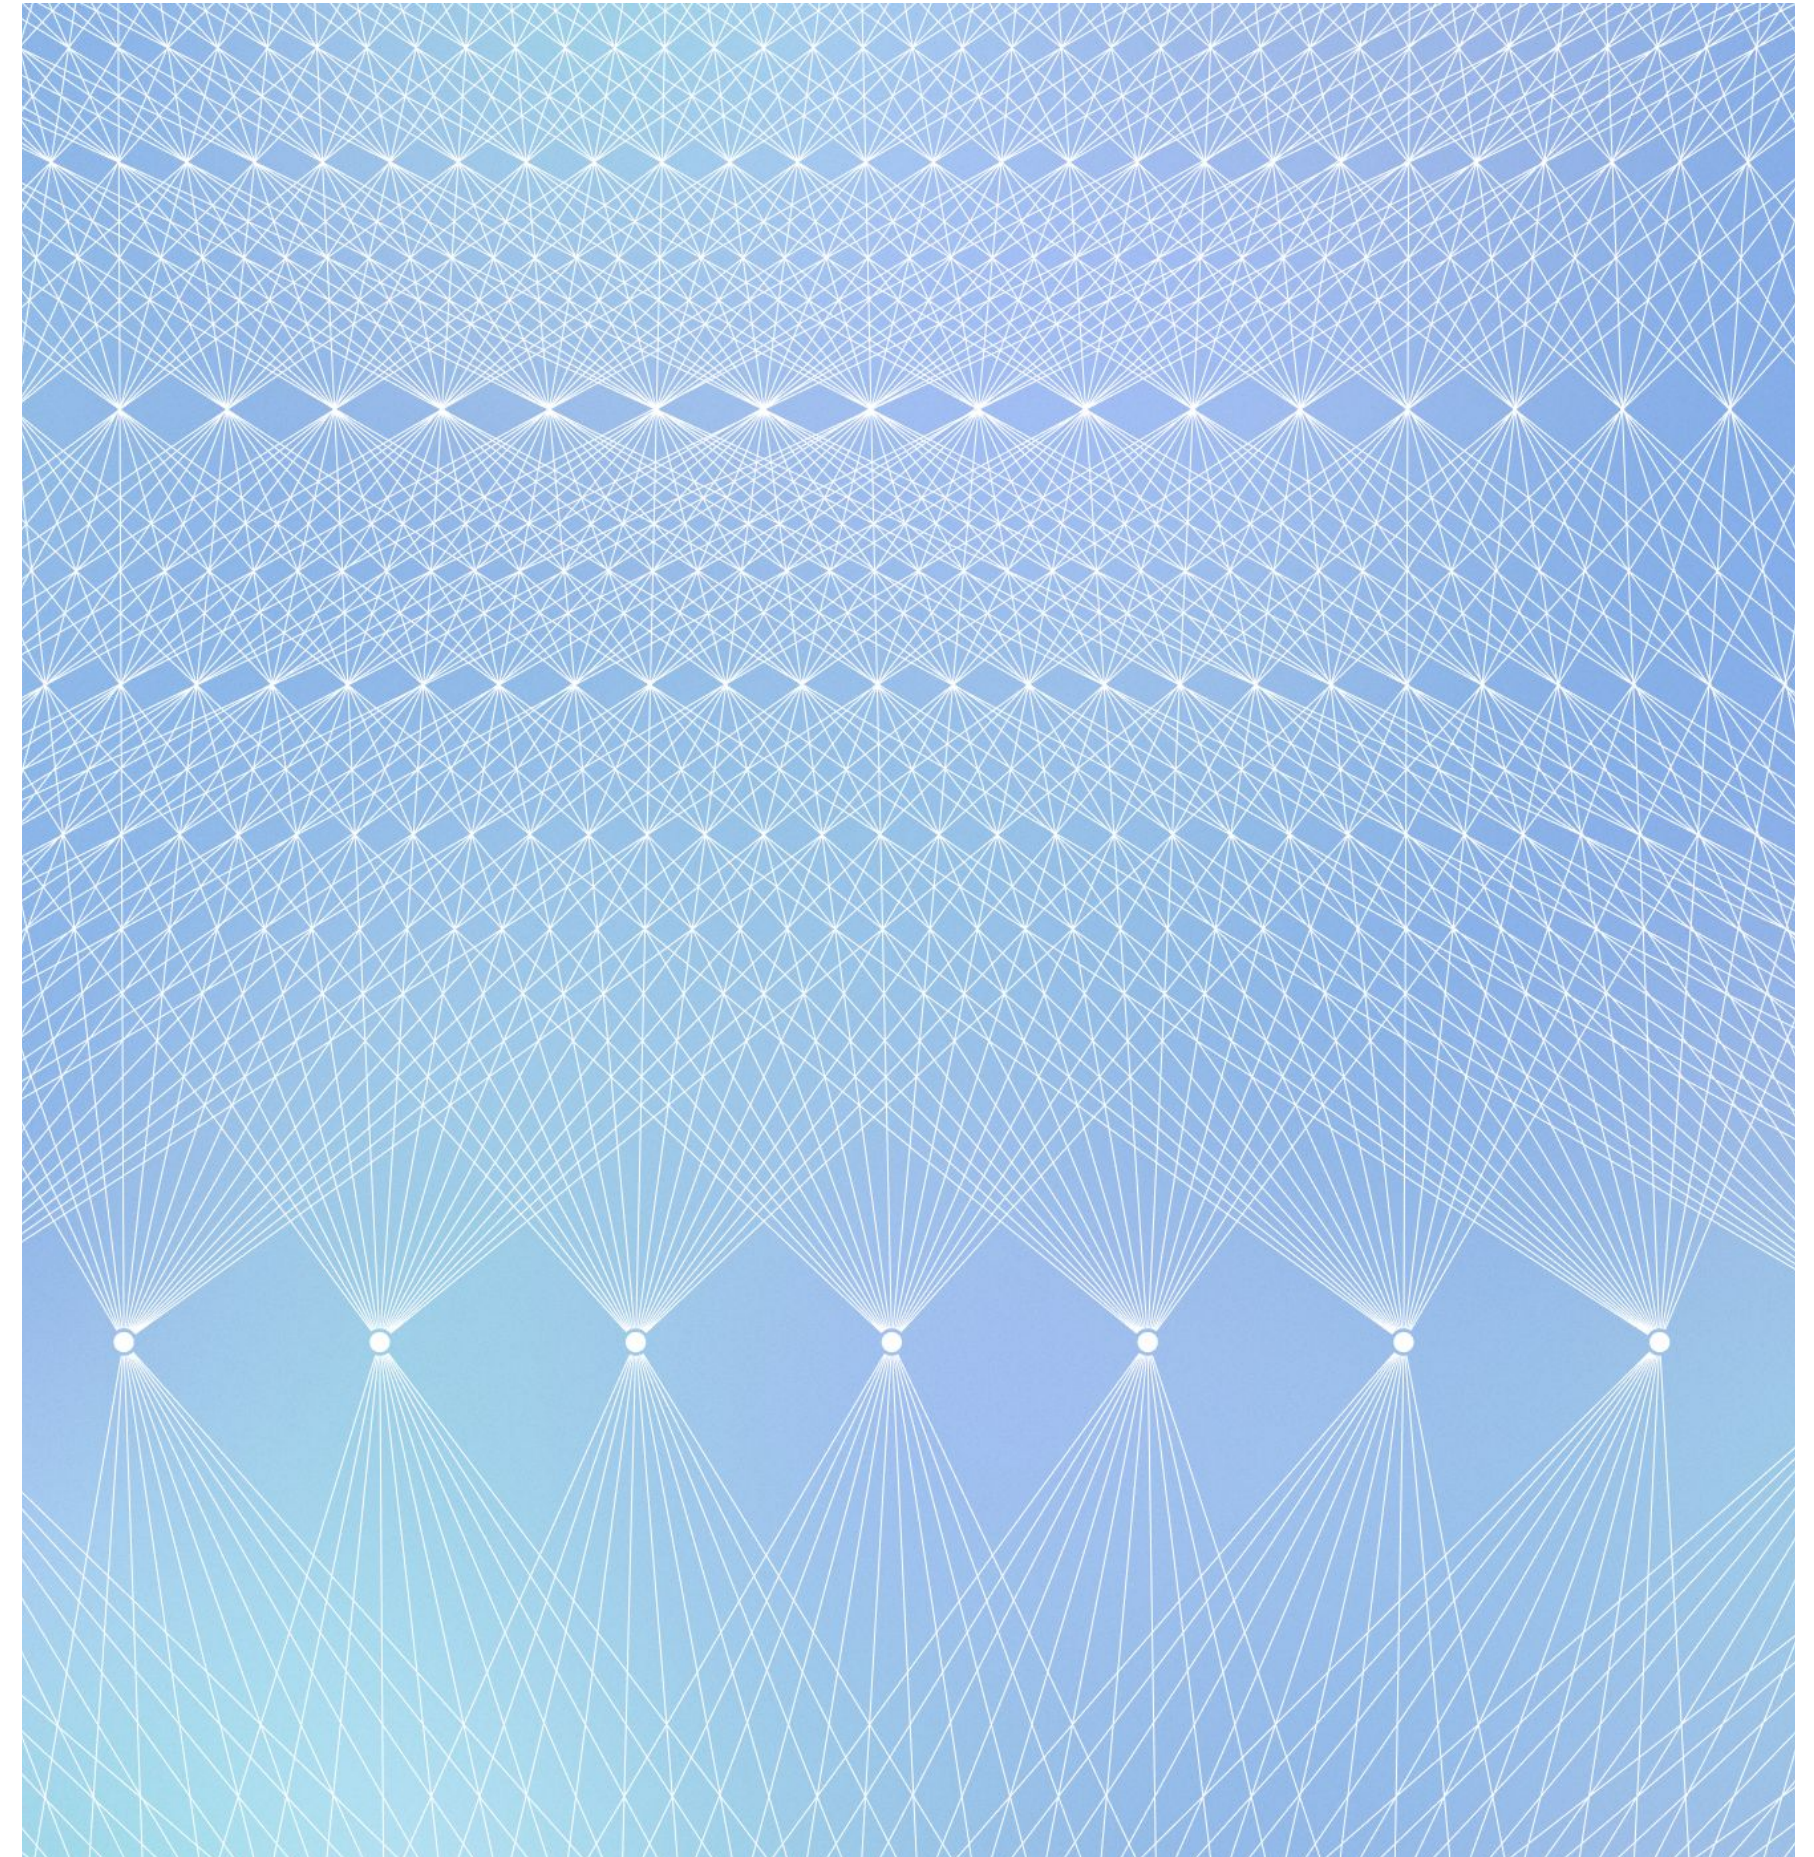

We offer a range of services as part of Lot 3, combining our unique capabilities across strategy, design and engineering into one unified process. By seamlessly blending the thinking and the doing, it is possible to reduce the inherent risks of delivering cloud solutions and change in complex environments.

Pricing

Our pricing for all G-Cloud services is based on a time and materials commercial model, with our consultants assigned at the appropriate daily rates contained in our G-Cloud pricing, plus reasonable expenses where applicable and allowed, and VAT.

Professional Services, Associated Services and Trial of the Service will be priced per the attached Rate Card.
