Training Workshop (In-Person)	Video Fly Throughs Project Visualisation	ZTVs	Bespoke Modelling Services (LOD3)*	Bespoke Modelling Services (LOD350)	3D Web Map**	Bespoke Software Development ***
£1,200 (Daily)	£1,200 (Daily)	Starting from £2,400 See 'ZTV Pricing Matrix'	£4,000 per sq km	£40,000 per sq km	£16,000	£1,200 Developer (Daily) £1,350 Project Manager (Daily)

All prices are excluding VAT.

* LOD refers to the level of detail of the 3D model. LOD 3 is the most popular model which has no facade detailing but includes roads, water, pavements, railways, platforms, pathways, greenspace, playgrounds and trees. LOD350 is the next level up which contains all the detail of LOD3 and also includes windows, facade profiles.

** VU.CITY offers 3D web mapping services, allowing users to interactively explore geographical areas in three dimensions via the web. We can link to customers' own geo-servers, enabling the display and integration of GIS data directly within the 3D web maps.

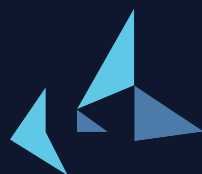

*** Our platform is designed to meet a wide range of user workflows, but we also offer bespoke software development with project manager support for organisations with specific needs.

ZTV Pricing Matrix

	2 sq km	3 sq km	4 sq km	5 sq km	6 sq km
