

NHS Core Clinical and Corporate Systems Enablement Delivery (EPR and ERP)

Pricing document | G-Cloud 15 | Lot 2a

morson PRAXIS

NHS Core Clinical and Corporate Systems Enablement Delivery (EPR and ERP)

Pricing document | Lot 2a Infrastructure Software (I-SaaS)

Morson Praxis provides Lot 2a services within the 'Integration & Orchestration' and 'Deployment centric Application platforms' sub-sections of the Taxonomy of Services. Our Framework Prices for Lot 2a are calculated in accordance with the following mechanism:

- a volume-based pricing mechanism calculated on the basis of the applicable Unit Price (daily resource charge rate) for the relevant service.
- rates are then multiplied by the number of units (resources) required over the full term of the contract to determine the contract value.
- the contract value is divided by the term of the contract (number of years) to determine an annual contract value.
- annual contract values are reduced in accordance with Morson Praxis framework discounts.

Framework Discounts

Framework discounts are applied to the annual contract value which is calculated in accordance with the above mechanism. Morson Praxis has detailed our Framework Discounts in the following table. All discounts are based on the annual call-off contract value (excluding VAT).

Annual call-off contract value (excluding VAT)	Morson Praxis Discount
<£250,000	1%
£250,001 - £500,000	1.5%
£500,001 - £1,000,000	2%
£1,000,001 - £2,500,000	3%
£2,500,001 - £5,000,000	4%
>£5,000,001	5%

Unit Prices

The following principles apply to the calculation of Morson Praxis Framework Unit Prices for Lot 2a:

- The Unit Price (daily resource charge rates) of Services or other Deliverables will not be increased by Morson Praxis during the Framework Contract Period.
- The Framework Discount is fixed for the Framework Contract Period.
- Framework Prices include all costs and expenses relating to the provision of Deliverables.
