

Business Case Development Services G-Cloud 15

AgileSource Overview

AgileSource is a professional services consultancy that brings extensive expertise in Business Change, Technology, Digital, and Data delivery to Government and the wider public sector.

At AgileSource, our team brings over 20 years experience in the delivery of Public Sector and Defence projects. We are committed to delivering top-tier services, driven by our passion and dedication to meeting each clients' unique needs.

BUSINESS CASE DEVELOPMENT SERVICES

We help organisations build robust business cases to establish or enhance cloud services. Our approach identifies cloud requirements and infrastructure challenges, explores solution options, and assesses investment costs and returns. By clearly evidencing benefits, we maximise stakeholder confidence and improve the likelihood of securing funding.

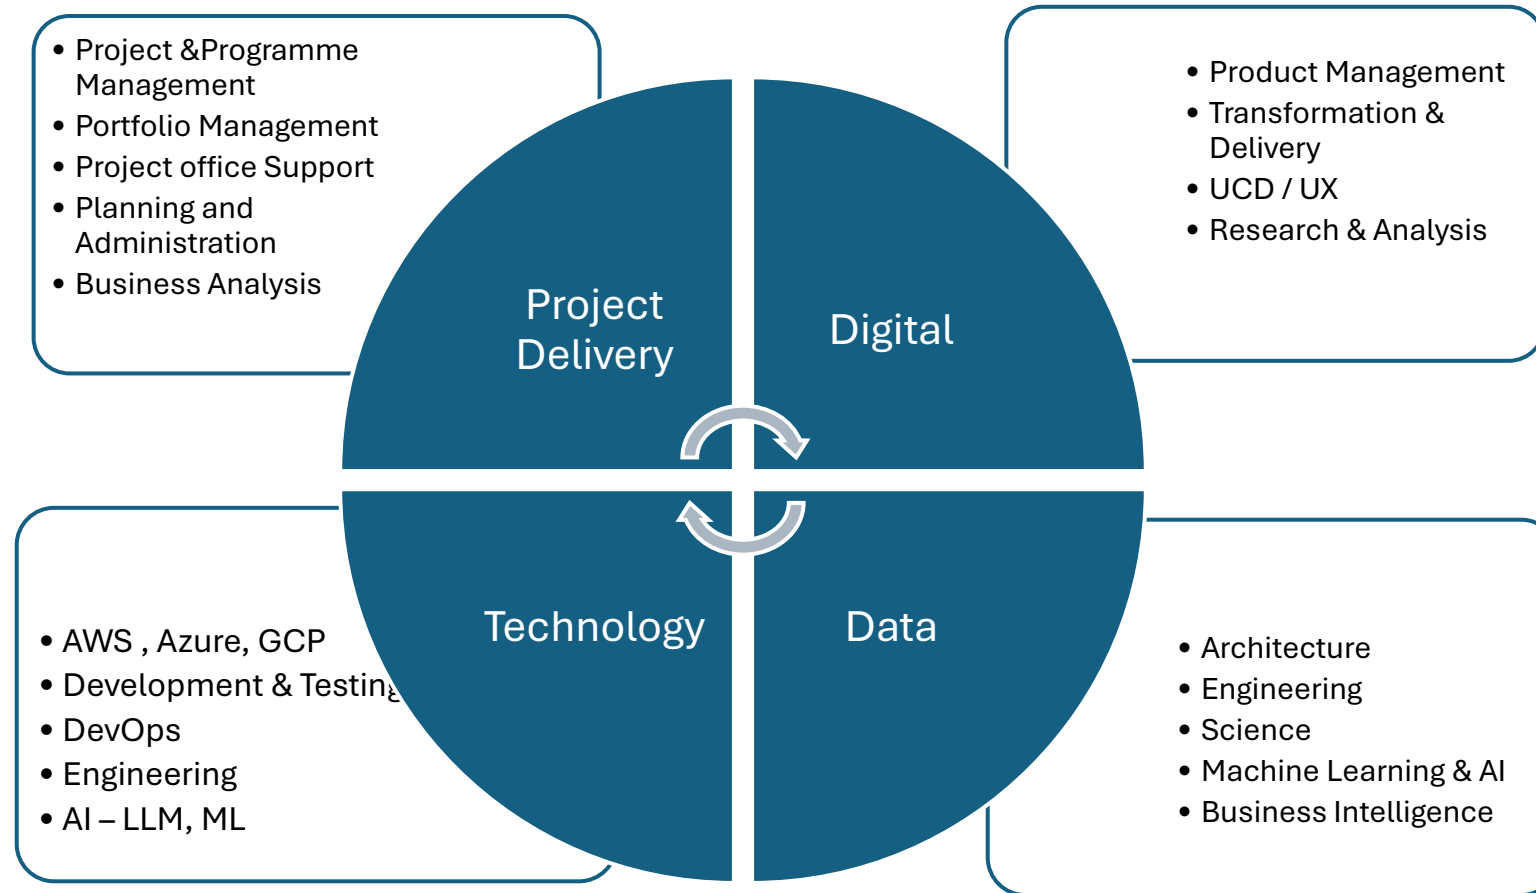

FEATURES

- Evidence-Based Rationale – Provide clear justification for the preferred solution.
- HMT “Five Case” Model – Comprehensive knowledge for robust business cases.
- Compelling Case for Change – Develop narratives that drive decision-making.
- Gateway Compliance – Produce content that meets CCS Gateway standards.
- Cost, Risk and Benefit Analysis.
- Quality Assurance – Ensure business case content meet highest standards.
- Proven Models – Established frameworks for options, finance, and benefits analysis.
- Deliver Outline Business Cases, and Full Business Cases.

BENEFITS

- Compelling Justification – Build strong cases for projects, programmes, or portfolios.
- Evidence-Based Rationale – Provide clear justification for the preferred solution.
- Roadmap to Delivery – Structured pathway from inception through to implementation.
- Cost Efficiency through reuse of proven models and common content.
- Options Appraisal – Evaluate benefits, costs, and risks of alternative solutions.
- Assurance to navigate approval pathways and secure stakeholder buy-in.
- Best Practice Approach – Apply industry-recognised frameworks and methodologies.
- Public Sector Expertise – Extensive experience developing robust business cases.
