AgileSource Overview

AgileSource is a professional services consultancy that brings extensive expertise in Business Change, Technology, Digital, and Data delivery to Government and the wider public sector.

At AgileSource, our team brings over 20 years experience in the delivery of Public Sector and Defence projects. We are committed to delivering top-tier services, driven by our passion and dedication to meeting each clients' unique needs.

Estates Strategy, Digital Modelling and Optimisation Consultancy

AgileSource provides secure estates and workplace optimisation services for UK Government and Defence, including drone-enabled digital capture, space utilisation studies, workplace design, BIM-ready modelling, estates data analysis and strategic decision support. We deliver evidence-based insights using cleared specialists, enhancing estate efficiency, safety, sustainability and long-term planning.

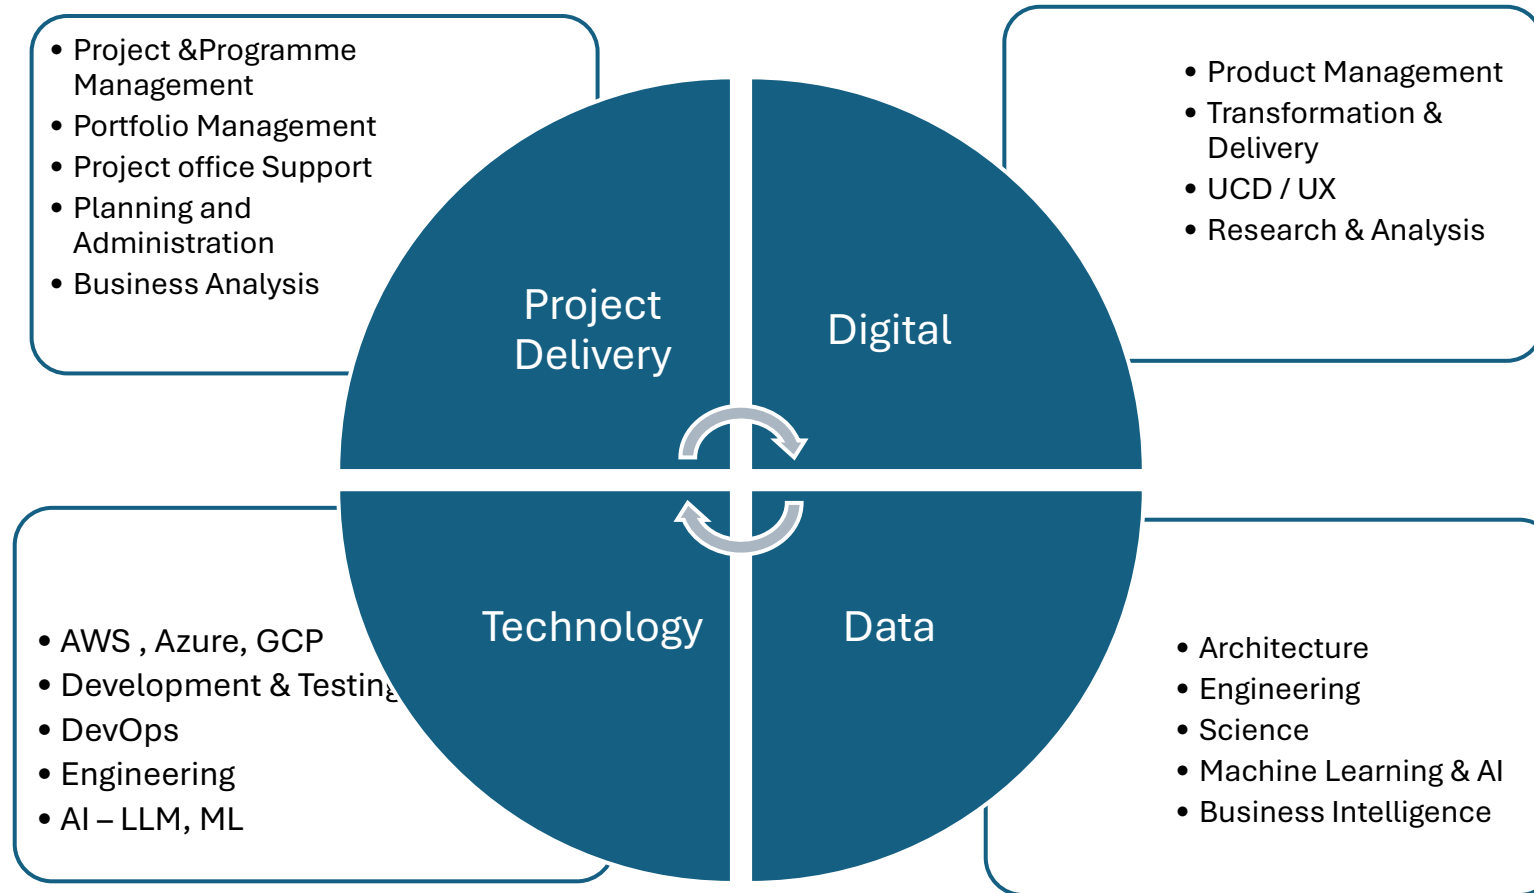

FEATURES

- Secure drone capture for accurate estate and building models.
- BIM-ready 2D and 3D digital modelling outputs delivered.
- Workplace and space utilisation studies with analytical insights.
- Estate optimisation using cost, condition and sustainability data.
- Strategic options appraisal aligned to government standards.
- Data cleansing and estates master-data management.
- Dashboards and MI for estate performance tracking.
- Onsite, offsite or hybrid secure delivery models.
- SC and DV-cleared estates and data specialists.
- Integration with CAFM, GIS and BIM environments

BENEFITS

- Improved estate efficiency through evidence-based decisions.
- Reduced surveying time using secure drone workflows.
- Better utilisation of space and workplace resources.
- Lower long-term estate and occupancy costs.
- Enhanced safety, accessibility and estate compliance.
- Clear, defensible investment and optimisation choices.
- Increased data quality for estate governance.
- Accelerated planning using verified digital models.
- Supports sustainability and carbon-reduction goals.
- Suitable for sensitive Government and Defence locations
