1 Document overview

This pricing document has been created to provide pricing information on our Senior Managers and Certification solution, Accord, featured within the G Cloud catalogue.

2 Onboarding Costs

Accord is subject to a one off fixed deployment fee of £10,500 based on our fixed deployment model and all the professional services and support required to support clients through the deployment tasks required to configure this SaaS solution such as setting up user profiles, teams and role definitions for your employees, setting up the Accord database, custom properties and workflows to match your rules and your business requirements.

3 Ongoing Costs

We licence Accord based on the number of key people who are subject to the rules of the relevant accountability regime and charge for those 'full user accounts' via an annual recurring banded licence model.

Licence fees benefits from an inbuilt volume discount as user numbers rise starting from as little as £9956 for up to 20 users and increasing to £38,700 for up to 100 users, with bandings starting from as few as 10 users and increasing to cover populations in excess of 3000 users. Please contact the team for accurate quotes based on your actual user numbers.

4 Commercial Assumptions

- All pricing is in GBP and excludes VAT and any sales taxes at the prevailing rate.
- Payment terms are 30 days from date of invoice.
- Pricing provided is a guide, all pricing is based on best practice and client requirements
- Travel and other business expenses re-charged to the client
- Standard support and maintenance included within the annual license fee
