

Cyber Essentials & Cyber Essentials Plus

CCL is a certifying body for Cyber Essentials and Cyber Essentials Plus accreditations. Our team of highly-skilled consultants will provide the necessary support throughout the process of achieving Cyber Essentials certification. Gaining accreditation demonstrates that organisations have the fundamental technical security controls recommended by NCSC for defence against cyber threats.

Deliverables

- Comprehensive on-site security assessment
- A managed approach to obtaining Cyber Essentials accreditation
- Provision of technical and remediation advice
- External vulnerability assessment of Internet-facing systems
- Thorough testing of internal systems
- Advice and guidance through every step of the process

Benefits

- Cyber Essentials and Cyber Essentials Plus testing capabilities
- Measure your organisation's security posture against best practice
- Cyber Essentials demonstrates security hygiene to clients, stakeholders, insurers
- Advertise your organisation's CE accreditation through logos and marketing material
- Can be used to demonstrate security due diligence for compliance
