About ECC Solutions

Encompass Cloud Consulting Limited trades as ECC Solutions. We help organisations modernise, automate, and transform intelligently.

ECC Solutions is a specialist Microsoft partner specialising in Power Platform and Dynamics 365. We work with public and private sector bodies and forward-thinking enterprises to design, build, and support secure digital services that make operations smarter, faster, and more transparent.

Our expertise spans solution architecture, data and AI, user experience, and managed services, delivered through proven governance and DevOps frameworks. Technology should empower people, not constrain them - so we put collaboration, clarity, and long-term impact at the center of every engagement.

From citizen-facing portals to mission-critical systems, we combine innovation with accountability to deliver measurable results that last. We don't just implement Microsoft technology - we enable progress.
