The remaining terms apply depending upon the service to be provided by DELTA TECHNOLOGY SERVICES LIMITED.

Sale of Goods

The following terms and conditions in this Part 1 apply to the Sale of Goods by DELTA TECHNOLOGY SERVICES LIMITED

1.1 Formation of Contract

1.1.1 DELTA TECHNOLOGY SERVICES LIMITED will sell and the Customer will buy the Goods in accordance with DELTA TECHNOLOGY SERVICES LIMITED's written quotation (if accepted by the Customer) or the Customer's written order (if accepted by DELTA TECHNOLOGY SERVICES LIMITED) subject in either case to these Terms. No order submitted by the Customer is deemed to be accepted by DELTA TECHNOLOGY SERVICES LIMITED unless DELTA TECHNOLOGY SERVICES LIMITED confirm this in writing.

1.2 Accuracy of Order

1.3.2 If the software comprised in the Goods is not owned by DELTA TECHNOLOGY SERVICES LIMITED then the Customer will be required to enter into an end-user licence agreement with the owner of the software concerned.

1.3.3 If any software has to any extent been written or developed by DELTA TECHNOLOGY SERVICES LIMITED then subject to clause 1.3.2 above, DELTA TECHNOLOGY SERVICES LIMITED hereby grants a non-exclusive, non-transferable licence for the use of such software by the Customer for the duration of this Contract and all copies of such software are the property of DELTA TECHNOLOGY SERVICES LIMITED and notwithstanding clause 1.5.1 no title or ownership thereof will be transferred to the Customer.

1.3.4 Where software has been written or developed by DELTA TECHNOLOGY SERVICES LIMITED for the Customer, the Customer acknowledges that such software may only be compatible with the current versions of other software and/or hardware and DELTA TECHNOLOGY SERVICES LIMITED provides no guarantee that it will be compatible with later versions of other software and/or hardware. For the avoidance of doubt, unless otherwise agreed between the parties in writing, DELTA TECHNOLOGY

SERVICES LIMITED is under no obligation to supply the Customer with any updates or add-ons to the software.

1.4 Delivery

1.4.1 Delivery of the Goods will take place by DELTA TECHNOLOGY SERVICES LIMITED delivering the Goods to the place agreed in writing with the Customer.

1.4.2 Any dates and times quoted for delivery are estimates only and unless otherwise agreed in writing, delivery times are not of the essence of the contract. DELTA TECHNOLOGY SERVICES LIMITED will not be liable for any loss or damage (howsoever arising) to the Customer should DELTA TECHNOLOGY SERVICES LIMITED be unable to deliver the Goods within the quoted period.

1.4.3 DELTA TECHNOLOGY SERVICES LIMITED is entitled to make partial deliveries by instalments and these Terms will apply to each partial delivery.

1.4.4 If the Goods are to be delivered in instalments, each delivery will constitute a separate contract and failure by DELTA TECHNOLOGY SERVICES LIMITED to deliver any one or more instalments in accordance with these Terms will not entitle the Customer to treat the Contract as a whole as terminated.

1.5 Transfer of Property and Risk

1.5.2 Until title in the Goods has passed to the Customer, DELTA TECHNOLOGY SERVICES LIMITED will be entitled at any time to require the Customer to deliver up the Goods to DELTA TECHNOLOGY SERVICES LIMITED and, if the Customer fails to do so forthwith, to enter upon any premises of the Customer or any third party where the Goods are stored and repossess the Goods.

1.5.3 Until title in the Goods has passed to the Customer, the Customer will hold the Goods as DELTA TECHNOLOGY SERVICES LIMITED's fiduciary agent and bailee, will not dispose of the Goods and will keep the Goods separate from those of the Customer and third parties and properly stored, protected and insured and identified as DELTA TECHNOLOGY SERVICES LIMITED's property.

The Customer must within the said period of 90 days notify DELTA TECHNOLOGY SERVICES LIMITED in writing of any such defects and permit DELTA TECHNOLOGY SERVICES LIMITED to inspect the Goods as required by DELTA TECHNOLOGY SERVICES LIMITED. If the Customer does not so notify then the Customer will not be entitled to reject the Goods and DELTA TECHNOLOGY SERVICES LIMITED will have no liability for such defect.
