Notes and Assumptions

- Day rates are based on a standard working day of 7.5 hours.
- All services are delivered in line with the SFIA (Skills Framework for the Information Age).
- Rates include all normal business expenses unless otherwise agreed in writing.
- Travel and subsistence, where required, are charged separately at cost.
- Services can be delivered remotely or on-site, subject to customer requirements.
- Final pricing may vary depending on scope, duration, and specific skills required within each SFIA level.

SFIA Skills Coverage (Illustrative)

Services may include, but are not limited to:

- Cloud architecture and design
- Platform and infrastructure support
