

Step-by-step HR support for safe, confident decision making in schools.

Clever Goose is a smart, interactive HR platform that guides managers through challenging people issues, bringing structure, consistency in process, and confidence in decision-making.

What Are the Benefits of Clever Goose?

Guided, Real-Time Support

Step-by-step guidance and coaching helps Headteachers and School Business Managers handle sensitive issues with confidence and compliance.

Streamlines decision-making and admin

By guiding users through each step and understanding the consequences of decisions made.

Built-in coaching

Allows colleagues to be walked through HR processes in practice scenarios to develop knowledge.

Escalation Prevention

Risk-based alerts and issue flagging help manage situations before they escalate.

Intelligent Dashboards

Real-time reporting gives Headteachers a clear view of HR activity across their schools.
